treet Work Program evealed for Next Year

Plans for major street projects o be undertaken by the city of nlo Park during the coming r were revealed Tuesday night en the city council approved annual budget and agreement for expenditure of state gasoline tax funds.

Total of funds to be expended was set at $78,300.43.

Biggest single project on the books was the improvement of Hamilton avenue in the Belle Haven area between Willow road and Bayshore highway. Sum allotted for this was $27,896.43.

The amount of $14,500 was set aside for installation of traffic lights and traffi ccontrol islands at the intersection of Middlefield road and Willow road.

Four thousand dollars was designated to cover surveys and preliminary studies on future widening and straightening of Willow road between Middlefield and the Bayshore, and $5500 was tagged to cover resurfacing of Cambridge avenue between University drive and El Camino Real.

Balance of the fund, $26,404, or 40 per cent of the total, is designated for regular maintenance work on city streets.

thers Are nace, too, ys Potter

Now that Father's Day is past, ody has to be any nicer to than to any other member he family.

o Menlo Park Fire District, Atherton and Menlo Park po- chiefs, this week included in their annual warning about works.

"Fathers," opines Police ief George Potter, "are just big a menace, where fire- orks are concerned, as their ildren. Some fireworks are nsidered safe and may still purchased, but some fathers and some children, too—in- t on dangerous and illegal vices, such as firecrackers."

e added that the city's police cers would take a dim view anyone with firecrackers in possession.

Speaking for the fire district, sistant Chief Edwin Wickstrom that, in the past few days— ing the father's day weekend, act—there have been about a f dozen fires started by the gal exploders.

ORD OF COMFORT

But he added a word of com- t for those who don't feel In- endence Day can be observed thout sound and fury: There several places in the district re legal, presumably safe, explosive fireworks may be ined.

"During the weekend, when had the fires, we contacted out nine different parties of ents and children who were gaged in setting off firecrack- ," Wickstrom observed. "Ob- usly, if the parents encour- e this sort of thing, it'll con- ue."

eanwhile Atherton Police ef Leroy Hubbard pointed out his city has a very strict ordi- ce which prohibits the dis- ge of firearms or the use of kind of explosives within the . This ordinance, he said, is ctly enforced.

Chamber

LEADERS NAMED

New officers of the Menlo Park Chamber of Commerce, installed at the organization's annual dinner meeting last night at Rickey's Studio Inn, are as follows:

President: Frederick B. Walker.

Vice-presidents: George F. Cleese Jr. and Thomas F. Cuff.

Treasurer: Dale A. Frane.

In New Fraternal Hall

Menlo Park Masons to Meet at Home On July 2 for First Time in 11 Years

For the first time since 1942 members of Menlo Park lodge 651, Free and Accepted Masons, will meet officially July 2 in their home city. Scene of the gathering will be the new fraternal meeting hall, nearing completion at 645 Roble avenue.

The meeting hall is owned by Mr. and Mrs. Royal Hodge of Woodside. J & M Builders of Menlo Park are the contractors.

Menlo Park lodge 651, F & AM, was formed about 1927 and prior to 1942 met in the old Duff and Doyle building's second-story hall. The historic merchandising headquarters, however, was razed to permit highway widening and since that date Menlo Park lodge members have held their meetings in Palo Alto.

"All Master Masons, particularly those now residing in Menlo Park, are cordially invited to attend the July 2 homecoming," William Kennedy, publicity chairman for the lodge said this week.

Norman J. Estes, master of the unit, will preside.

In addition, he announced the schedule of other organizations to meet at the hall.

OTHER GROUPS

These include Menalto chapter 562, Order of the Eastern Star, which will hold its first meeting on July 18, with Worthy Matron Mrs. Lillie D'Artiaes presiding and the Delphinians. (For details see the society pages.)

The new building was constructed at a cost of $36,000, according to the city building inspector's valuation, and includes banquet hall as well as meeting room facilities.

The meeting hall itself is 50 by 60 feet; the banquet room will be 44 by 52 feet.

Offstreet parking is to be provided.

The old Duff and Doyle building stood at Santa Cruz avenue and El Camino Real, and was built in the 1870's. At that time, it was the only two-story brick structure between San Francisco and San Jose.

Despite County Action

Menlo Park Might Balk, It Seems, At Clamping Earlier Curfew on Youth

Possibility that the city of Menlo Park may not go along with the rest of San Mateo county in adopting a new uniform curfew law was raised by Councilman Charles P. Burgess Tuesday night.

"Seems to me the reason for having cities is to have local control," remarked Burgess. "I wouldn't vote to change our present curfew ordinance just to match the rest of the county."

The matter came up when City Attorney James T. O'Keefe Jr. presented to the council as a matter of information the new so-called "uniform" curfew law recently adopted by the county board of supervisors. Most other cities in the county have followed suit in passing the same ordinance

The new curfew measure would make it unlawful for any person of 18 years or less "to loiter" in public places between 10 p. m. and sunrise, and unlawful for parents or other responsible adults to permit such loitering. It provides that youngsters apprehended in violation of the measure shall be transported immediately to the county juvenile home, and provides for penalties of a fine up to $500 or imprisonment up to six months or both.

Chief difference of the proposed law and the city's present ordinance, according to O'Keefe, is that the term "to loiter" replaces the ban on being present without adult supervision, and the hour is moved from 11 p. m. to 10.

The city council decided to hear a report from Chief of Police George Potter as to functioning of the city's present law and desirability of putting into effect the "uniform" measure, before taking any action.

Grass Fires:

20 IN A WEEK

During the week from June 17 through June 23, Menlo Park Fire District firemen were called out to extinguish not less than 20 grass fires, district officers reported yesterday. Most of the blazes were caused by carelessness, or fireworks.

According to the firemen, causes of the grass fires included careless smoking, sparks from a train, incendiarism, firecrackers, unpermitted burning and careless burning of rubbish.

Citing the figures, he called on residents, once again, to be cautious regarding fires, and to get burning permits if they intend to light any outdoor fires.

School Board To Name Heads

Menlo Park Elementary School District trustees will convene for annual election of officers at a special session set for 7 p.m. July 1, at Central school. Robin Hood, recently elected to the board, will be formally seated to replace George R. Angus, retiring member.

The seating of the new member and the naming of officers will be the only business conducted, according to Superintendent Mel Homfeld.

Expected City Budget Revealed; Up $40,000

Tentative budget for the city of Menlo Park, to be presented to the city council on July 14, City Manager C. L. Longson revealed this week will total some $390,000, an increase of about $40,000 over last year.

Longson revealed these figures after the council Tuesday night adopted a new salary schedule for city employees for the coming year which embodies a 5 per cent across-the-board increase, as well as a number of individual raises and upgrading of individual classifications.

LOWER PER CAPITA

Longson pointed out, however, that the new budget figure represents a sizable drop in expenditures per capita based on the city's population. The per capita figure during the 1952-53 fiscal year was $19.06, he declared, while the new per capita figure should be about $17.63.

The 1953-54 budget will break down, he said, approximately as follows:

Salaries and wages: $238,506

Maintenance and Operation: $139,967.

Capital Outlay: $9500.

Emphasizing that these figures are purely tentative at present, Longson pointed out that the $387,973 total does not allow for a $6000 increase in insurance rates which was announced since compiling of these figures.

The 1952-53 budget breakdown was as follows:

Salaries and Wages: $207,178.

Maintenance and Operation: $124,717

Capital Outlay: $9585.

Longson further pointed out that percentage in the new budget will remain about the same as last year. Despite increases in pay scales and the hiring of additional help, he said, wages and salaries next year should represent about 61.5 per cent of the total budget, whereas in 1952-53 they represented 60.7 per cent.

NEW SALARIES

In the new salary schedule adopted by the city council Tuesday night, individual increases were granted to six city employees. These six, and their old and new monthly salaries, are as follows: city manager, from $725 to $814; building inspector, from $515 to $551; administrative assistant, from $420 to $473; assistant building inspector, from $365 top grade to $410 top; director of recreation, from $395 to $441, and police inspector, from an additional $10 over basic rate to an additional $20.

In addition to these straight increases, five new positions have been created, which will

Room for Recreation

City Eyes Purchase of Park Land, Presses Joint School Program

The city's master plan came to life again Tuesday night in an unusually harmonious meeting as the city council took up that portion of the plan dealing with parks and recreation.

Outcome of the hearing was that Bell Havenites are almost assured of getting a park in the area east of Bayshore highway, but the remainder of the parks proposal may have to await the outcome of a program of school and city cooperation in developing recreational facilities at school grounds.

Most of the 30-odd persons in the audience urged that the city proceed with the full extent of the recreation program, a project which would cost the city some $227,000, according to estimates.

Others urged that the properties envisioned as parks should at least be "held" or acquired for future parks use even if they are not developed until the city knows how well the school-city joint program will work.

In closing the hearing, Mayor Michael L. Belangie said the council would press, first, for continued working out of the joint program; second, that it would consider acquisition of the proposed additional parks properties, estimated to run as high as $131,250, and third, whether to go ahead with development of the additional areas as well. Either of the latter actions, he said, would have to be financed by citywide general obligation bonds, requiring a vote of the entire city.

B-H PARK A 'MUST'

Fred Parsons, city recreation director, described the Belle Haven area park as a "must". The Oakdell drive park, proposed to be five acres in extent, might be reduced, he said, to a smaller facility if the school programs at Hillview and Oak Knoll prove effective.

The proposal for a Gilbert street park depends on growth of the Willow school, he said, and the possibility that a junior high school may have to be built on the present school grounds.

Joseph B. Kelly, chairman of the city recreation commission, reported on progress of work with the school district and declared the commission felt the city should hold onto the areas proposed as parks in the master plan while it tests the joint program.

He outlined facilities proposed to be provided at Hillview school: a two-and-one-half-acre area with softball diamonds, soccer fields, basketball courts, tennis courts and a tanbark area.

"Hillview would give us a guin-

ACCEPT DEED

The city council Tuesday night accepted deed from the Salarac Land company to the last of three lots the city has been seeking to acquire for a "tot park" across the street from Belle Haven school. Negotiated purchase price, following filing of condemnation proceedings by the city, was $1250, according to City Attorney James T. O'Keefe Jr.

NEXT STEP JULY 14

The next phase of Menlo Park's master plan, the streets and highways program for the city, will be taken up by the city council at 8 p.m. July 14 in the city council chambers, it was indicated at this week's hearing on parks and recreation.

Sanitary District Eyes Budget Of $141,200

Menlo Park Sanitary District Monday night adopted a tentative operating budget of $141,200, to be financed by a tax rate of 22 cents per $100 assessed valuation.

Last year, the tax rate was 23 cents, according to District board of trustees secretary, Dr. Lawrence H. Cook.

Of the $141,200, salaries will account for $55,000; equipment and supplies, $16,000; sewer extensions, $15,000; general office expenses, $10,000; $400 for outside maintenance; $5000 for insurance; $7500 for electric power; $2500 for auto expenses.

Unbudgeted is a reserve of $18,950. Remainder of the budget is made up of minor items.

Budget for the current year is $124,359.

The proposed budget will remain tentative pending the release the final figures as to the total valuation of the district, by the county assessor's office.

mean promotions for four present city staff members.

Leonard Klein is to become assistant superintendent of public works, and will receive $551 a month. Milton Lamoreaux will become streets department foreman with top salary of $441. Irving Heuton will be water department foreman at the same scale. Fred D'Oliva is to become head gardener, with top pay of $410.

Another new post, that of supervisor of athletics, at a pay scale ranging from $315 at the start to a $394 top, has yet to be filled.

In another salary action Tuesday night the council adopted an ordinance introduced two weeks ago to increase salary of the elected city clerk from $370 to $400 a month and of the elected part-time city treasurer from $160 to $200 a month.

PERSONNEL CHANGES ANNOUNCED FOR CITY

In personnel actions Tuesday night, City Manager C. L. Longson reported to the city council that in compliance with recommendations of the city personnel board the following changes have been made:

Police Officer Edward A. Werner has been taken off the probationary list and made a permanent member of the force;

Playgrounds Supervisor Gayle Allinger has been moved up from probationary to permanent status;

Deidre Monks has been named accounting clerk, water department, and,

Margaret E. Snowden has been named accounting clerk.

WEED ABATEMENT

Annual hearing on weed abatement assessments has been set for 8 p. m. on July 14 in the city council chambers. Report listing proposed assessments is posted in the city hall.

'TELETHON' NUMBER

READY FOR TELETHON—All signs point to the local telephone number to be contacted as Menlo Park volunteers prepare for the Cerebral Palsy telethon set for tomorrow evening. Focussing their attention on the number are (left to right) Mrs. Stanley Hiller Jr., Mrs. George Bunyan and Mrs. C. A. Burley. The telethon will be beamed from KGO-TV and will run for 29 hours. Besides members of the United Cerebral Palsy association of California, members of the Woodside-Atherton auxiliary of the Stanford convalescent home have been active in preparations for the affair.

UNABLE TO ATTEND

Robert Starkweather, business manager for the Menlo Medical center, was unable to attend the Chamber of Commerce's annual dinner last night. He was confined at his home with the mumps.

As Negotiations Fail

Effects of Building Industry Tie-up Spotty in Menlo Park, Survey Reveals

Work was still continuing on some building projects in Menlo Park as of yesterday morning, but others were shut down as the result of a lockout and strike resulting from failure of negotiations between laborers and employers.

As of yesterday morning, work was stopped on the seven-classroom addition under construction at Hillview school. Howard White is the contractor. But work was continuing on an addition at Encinal school, where Earl Emley is the contractor, and at the Menlo Park Fire District's new fire station at Oak Grove avenue and Hoover street, where Aro and Okerman are the builders.

Home-builders in the city were apparently acting independently, those adhering to the policy of the Associated General Contractors shutting down, rather than meet the $2-an-hour wage demands of the AF of L laborers' union. The union has been on strike for the past 2½ weeks, asking a raise from the past $1.85 per hour rate.

Milton Morris, assistant to Menlo Park Building Inspector J. D. Steiger, said that there were some jobs stopped, but some contractors had apparently "signed up" with the union.

Cars Don't Collide; Accident Anyway

There was an accident involving two cars in Menlo Park Saturday evening, Menlo Park police report, but the two didn't collide.

The mishap occurred at 6:45 p.m. when a wheel came off the rear axle of an auto being driven north on El Camino Real by Mario Generelli, 17, of 688 Roble avenue.

Generelli's car stopped, but the wheel rolled across the dividing strip in the center of the highway, and crashed into a southbound car being driven by Howard Helmuth Pratt, 58, of Redwood City.

Generelli was cited for driving without a license in his possession according to the police reports.

EXCHANGEITES NAME DELEGATES TO CONFAB

President Joseph E. Beh of the Exchange club of Menlo Park announces that L. D. Lockwood and he would serve as delegates, and James Ferguson and Thomas Leigh would serve as alternates to the coming state convention of Exchange clubs being held June 25, 26 and 27 at Hoberg's resort in Lake county.

Minor Accident Reported Here

Autos driven by Arthur Allen Frank, 77, of 216 Park lane, Atherton and Lloyd Irving Watt, 31, of San Francisco, were involved in a minor crash at El Camino Real and Oak Grove avenue Saturday afternoon, police report.

There were no injuries or citations. Frank's car was headed east on Oak Grove avenue, and Watt's was headed south on the highway, at the time of the accident.

MP Man Graduated With JC Honors

Billy Oren Starmer of Menlo Park received the associate in arts degree from San Mateo junior college at the commencement exercises held Sunday, June 14.

Starmer graduated with honors and life membership in Alpha Gamma Sigma, California junior college honor scholarship society.

Having completed the first two years of his pre-dental education at San Mateo, Starmer will enter UC dental college in the fall.

Officer Graduated From War College

NEWPORT, R. I. (Special)—Secretary of the Navy Robert B. Anderson recently presented diplomas to 241 officers graduating from the naval war college here. Graduating from the course in "strategy and tactics" is Captain Benjamin B. Cheatham, husband of the former Miss Elizabeth B. Miller of Menlo Park.

The Menlo Park officer reported to the war college in July, 1952, after a tour of duty with destroyer division 12.

NEW MISS LEDWELL

Mr. and Mrs. Sheldon Ledwell of 856 Bay road are the parents of a little girl born June 19 at Palo Alto hospital.

Mertice P. Miller, 319 Marmona drive, won two prizes in annual poetry competition at Montalvo, Saratoga, recently.

Legion Post 443 Sets Election, Installation

Annual election of officers of Menlo Park post 443, American Legion, will be held Friday evening at 8 p.m. at the city council chambers building, Menlo Park civic center. Installation of officers elected at that time will be held June 28, at the Italian-American club, 829 Oak lane.

Current commander of the post is Howard Johnston.

The installation ceremonies will be held in conjunction with those of the post's ladies' auxiliary, and the Sunday rites will begin at 1:30 p.m.

They will be followed by a steak barbecue, being arranged by a committee including John Gerwig, Cliff Heaton, John Zamperi and Joseph B. Kelly.

Guests of honor will be Mayor Michael L. Belangie and family and ex-Mayor Charles P. Burgess and family.

There's only one answer...
Chevrolet trucks must be the best buy!

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the *twelfth* straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks.

If you're a truck user, this fact is mighty important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they *must* do a better job at lower cost?

That's why it will pay you to stop in and see us before you buy your next truck.

FOR MORE THAN GAMES

We agree with Councilman Arthur Cobbledick, who pointed out Tuesday night during discussion of the city's parks and recreation program, that parks should serve more purposes than are possible on a school playground.

In today's heavy emphasis on organized recreation, we——and trained recreation directors——too often forget that there is more to recreation than games and athletics.

Cobbledick expressed the hope that "quiet areas" might be developed in some of the parks proposed under the master plan. This does not mean just that they should be used as "tot lots" where the city's young mothers could take their children who are too small for the playing field.

What Cobbledick has in mind is a green area, with trees and shrubs, where a man might be able to forget for a few moments that city streets are just around the corner.

The softball diamonds and the tot lots are important now and always will be. Those "quiet areas," too, are needed now and will be needed more and more as the city builds up.

Many of us feel that the country is so close——just a jaunt out Sandhill road——but present plans of Stanford and other developers could remove that countryside within five or ten years. And we know persons now who have resided in Menlo Park for years without ever getting out to that countryside.

As buildable residential lots disappear——as they are now doing——the apartment houses are bound to surround us more and more.

New York City is glad today to have Central Park——"That Big Backyard of the City." Menlo Park some day might be just as glad to have a few small quiet spots where a man could sit and think.

The estimated cost of acquiring all the properties proposed for eventual park use is some $131,250. This would cost the taxpayer some 4 to 5 cents per $100 on his assessed valuation.

Certainly no one is in a mood to load the taxpayer with any more than the minimum these days. He is going to be asked to pay and pay and pay anyway, if for no other purpose than to keep up with the need for new schools.

But in figuring the minimum, one must consider what is going to maintain property values. We can well imagine that 4 or 5 cents on the tax rate now might mean the difference between a drop of values in an increasingly congested area and the maintenance of those values.

How to weigh a patch of shade on a hot day against the straining public dollar is something we never learned in physics class. We hope the city council can figure out a way to do it.

PRIORITY JOBS

The city's plans for major street work with gas tax funds next year are all for much needed projects.

But announcement of the projects, together with announcement that the streets and highways program of the master plan will be discussed on July 14 reminds us of a project that is, we believe, more important than any other street work in the city.

We refer to the extension of the present Willow road through Linfield Oaks, under the Southern Pacific tracks and out to El Camino Real in the neighborhood of Cambridge avenue.

This is the only way to take the load off Ravenswood avenue, now the most dangerous bottleneck in the city. We hope it can be done before Ravenswood avenue costs something in lives.

Your City's Business:

'Village' Important To City

By CHARLES P. BURGESS

A great deal of interest has been displayed in the proposed transfer of the 82-acre Stanford Village to the university.

A number of institutions have indicated they would like a slice of the land, presumably at bargain prices. The details have been carried in the press. The purpose of this column today is to explain why the city council objects to tax-exempt agencies obtaining the property.

First, we do not object to acquisition by Menlo Park School District of a ten-acre site, for a school is needed in this particular area. Nor do we object to the existing church. But for additional tax-exempt agencies to use these potentially valuable lands would be detrimental to the interests of the people of Menlo Park.

In Linfield Oaks a limited amount of land was set aside a few years ago for our experimental administrative, executive, and professional office building zone.

This unique zoning has been successful and demand for space has exceeded all available in Linfield Oaks.

In no other part of the city is suitable land available, but under the master plan we recently rezoned all of Stanford Village for this use, hoping that ultimately it would go into private hands. Here alone is an opportunity to expand this zone that is rapidly becoming famous into a sizable development.

When the Urban Land Institute panel was surveying the county for industrial development a few months ago, the members were immensely impressed with this zone, and two of them requested copies of our zoning ordinance.

Their report commended this type of development strongly for San Mateo county, and the city of San Mateo now appears eager to apply this zoning to the Borel estate.

If we are to capitalize on our being first in the field, we must have more land available and soon.

In the fiscal year ending June 30, three developments in this zone, Sunset magazine, Allstate insurance and Magna engineering were on our tax rolls.

The assessed valuation per acre of these three units was $27,700, compared with an average of $9350 for the entire city including the central business district, or three times as much.

In addition to the substantial tax contribution, such development provides high grade employment in keeping with the type of city Menlo Park is. Finally this use, while it does require fire, police and sanitary service, does not produce children (as do homes) to add to our biggest tax problem.

It would mean a great deal taxwise and in other respects to have Stanford Village developed into the type use now represented by our Linfield Oaks C-1 classification and by Stanford Research Institute. It means too much to us, so the city council will not sit idly by and allow it to be diverted into other uses.

Lt. John A. Garrard Promoted in Korea

KOREA (Special) — John A. Garrard, the son of Mr. and Mrs. Lester A. Garrard of 1130 Cotton street, has been promoted to the rank of first lieutenant while serving with the 10th corps in Korea.

Lt. Garrard, battery commander, has been serving with the 196th field artillery battalion, a unit of the corps, since May 10. He entered the army in November of 1950.

The local man, who was a member of Sigma Nu fraternity while attending Stanford university, was employed by United air lines in San Francisco before joining the service.

HEAT IN DOUBT

Poor Walter the Weathermouse staggered as he brought his weekly report into the office yesterday.

"Why don't you take off that heavy jacket?" we asked him as we ourselves panted in the heat.

"Because I think my thermometer's wrong," replied Walter. "It never gets this hot in Menlo Park."

The Veterans' Guide

'Korea Veterans' May Need Never Serve Overseas

An ex-serviceman may never have set foot in Korea and yet be classed as a "Korea veteran" it was pointed out by Floyd D. Granger, vterans service officer of San Mateo county.

He explained that eligibility for most federal and state veteran benefits depends not on where a person served but when.

"In nearly all instances," he said, "a veteran who served on or after June 27, 1950—the start of hostilities in Korea—may be eligible for benefits as a Korea veteran, even though his service was in the United States, Europe, or some other place on the globe."

As an example, Granger cited the California legislature's recent extension of "Cal-Vet" educational assistance to Korea veterans. Such a veteran is defined in the new statute as "any person who served in the military or naval service of the United States during the period June 27, 1950 to a future date to be established . . ."

"This new benefit," Granger asserted, "illustrates the fact that Cal-Vet assistance, just like federal GI bill assistance, is not restricted to veterans who saw action in or near the Korea theater."

Other requirements may have to be met, such as a minimum of 90 days' service and an honorable discharge.

Some specific benefits are, of course, intended for servicemen who are near the point of action —a good example being combat pay. But generally speaking, it's the time—not the place—that counts.

"This principle holds true," Granger added, "for other wars in which this country has participated."

For further clarification of this and other matters pertaining to veterans or their families, Granger invites them to visit the veterans service office in the courthouse, Redwood City.

Sequoia Hospital Lists Statistics

A total of 56 persons received treatment on Sequoia hospital hallways last month and another 37 were delayed on admission, the facility reveals in its monthly statisical report.

The hospital was the scene of 174 births, 13 deaths and 111 major operations during the month, the report continues; a total of 930 persons received treatment.

Of the total number of patients, 66 were admitted from Menlo Park, seven are residents of Atherton and four were residents of Woodside.

'FLUNKS' TEST

A Redwood City motorist, 41-year-old Cleve Shelton Anderson, "flunked" the sobriety test given by sheriff's office men early yesterday, according to Atherton police reports. The Atherton officers picked Anderson up after following the weaving course of his car down El Camino Real.

Jr. C of C Members Work on Booth For RC Rodeo

Members of the Menlo-Atherton Junior Chamber of Commerce were to meet at the organization's booth at the Redwood City rodeo grounds last night, to ready the unit for its opening for the rodeo, July 3, 4 and 5.

The work session was set at the Jr. C. of C.'s regular business meeting Tuesday night, at which members of the group also:

1. Decided to sponsor a campership with which to send one area youth, who would otherwise be unable to go, to summer camp for one week;

2. Appointed Bill Hayes, chairman of the group's recreation committee, to work with the Menlo Park Little League to determine how and when the Jaycees can assist the young baseballers;

3. Passed a resolution placing in the hands of the group's president, Fred Judd, the matter of determining when guest speakers should be invited;

4. Heard a report from Fred Warren on his visit to the recent International Junior Chamber of Commerce conference in San Francisco, at which delegates from 35 nations were present.

CD Council Members Gather for Test

Menlo Park was represented at county civilian defense exercises Saturday with one of the largest delegations in evidence at county CD headquarters, it was reported this week by John Johnson, city assistant director of civilian defense.

Those who were present for the all-day drill, climaxed by a luncheon and inspection of facilities at the Belmont CD headquarters were Johnson, Police Chief George Potter, law enforcement division head; Chief Warden Lieutenant Tony DeOcampo; Assistant Chief Warden Craig Owens; Joseph B. Kelly, welfare and housing service chief; John Lehman, Red Cross disaster council coordinator and Milton Lamoreaux, assistant chief of public works.

The local civil defense council members, besides observing methods by which calls are received and transmitted to other civilian defense units, toured the new headquarters in Belmont and viewed a new civil defense rescue truck which has been purchased.

John Lehman Named To Republican Panel

John E. Lehman, Menlo Park attorney whose home is at 194 Ravenswood avenue, has been elected to serve on the San Mateo county Republican Central committee, it was announced last week.

He will take the place recently vacated by Harry Miner, who resigned after moving from Menlo Park recently.

Lehman is currently president of the Young Republicans of San Mateo county. His election to the post vacated by Miner was unanimous.

A graduate of the University of California law school, Lehman is also a member of the Sequoia chapter, American Red Cross, for which he serves as disaster chairman, and a member of the board of directors of the Menlo Park Kiwanis club.

SMJC Graduates 4 From MP Area

Shirley Nakasora and Billy Oren Starmer of Menlo Park and Marilyn Bast and Kay Bowen of Atherton received diplomas at San Mateo junior college commencement exercises Sunday afternoon, June 14, it was announced from San Mateo this week.

The Woodland outdoor theater in Hillsborough was the scene of the rites.

James Mussatti, general manager of the California State Chamber of Commerce, was featured speaker at the commencement.

Council Makes:

FUNDS TRANSFERS

The city council of Menlo Park Tuesday night passed five different resolutions transferring funds from one city account to another, and when all was done the city was no richer or poorer than before.

Amounts ran all the way from $5000 paid to the city's general fund by the city's water department fund — which originally got the "loan" to put it in business — to 3 cents from a 1951 special assessment fund to the general fund to clear a clerical error.

WEBERS ARE PARENTS

Mr. and Mrs. Robert Weber, 1181 Willow road, are the parents of a son born June 19 at Palo Alto hospital. The baby "weighed in" at 8 pounds, 9 ounces.

Claus Spreckels Named Director

Claus Spreckels, Menlo Park resident, has been named a director and executive assistant of the Emerson Murfee restaurants, it was announced recently.

Appointment of Spreckels coincides with the opening this week of two major additions, the Sky room and the Directors' room to the Villa Chartier.

Spreckels will assist Murfee in management of the Villa Chartier, Lanai and Bel-Aire restaurants, as well as Lanai liquors. He brings a wide background of business experience with the Spreckels companies, one of California's pioneer organizations.

WESTRIDGE DRIVE

The 468 Westridge drive home of Mr. and Mrs. Harold Johnson and family is now also the home of a new baby girl, born June 19.

City's Insurance Is Renewed; Premium Up 400%

"A compliment to the city."

That's what City Attorney James T. O'Keefe Jr. called it this week when City Manager C. L. Longson informed the city council that the municipality's liability insurance will be renewed next year at a premium up 400 per cent from the previous rate.

"Insurance companies are trying to get out of the municipal liability field altogether," O'Keefe said. "We're lucky to have our insurance renewed at all."

The information came to light when O'Keefe reported to councilmen that measures designed to eliminate special conditions making cities unduly liable for damages in some cases failed to get through the recent session of the state legislature.

The new premium will amount to about $8000 a year, Longson estimated.

"About 4 cents on the city rate," Councilman Charles P. Burgess commented.

Gabriel Correa Enlists in Navy

Gabriel Correa, son of Mrs. Nellie Martinez of 720 Newbridge street, Menlo Park, has volunteered for a four-year enlistment in the US navy, it was announced last week by Chief Petty Officer Edward T. Shalkowski, navy recruiter for San Mateo county.

Correa is now undergoing training at the San Diego recruit training center, on completion of which he will be assigned either to advanced training or to a navy ship or shore station.

SPEED-KILLER NO. 1

Out of 35,000 lives lost in traffic accidents in 1950, 26,700 were sacrificed on the altar of carelessness. Speed—excessive, killing speed—accounted for nearly half that number. Speed, claiming 13,300 dead and 475,000 injured victims in a single year, is the nation's Killer No. 1.

While all traffic deaths declined from 1946 through 1949, even then fatalities on the open road kept creeping up. In 1950 a deadly spurt of speed accidents claimed 3,200 more victims in rural areas than it had the year before. Last year speed deaths again mounted.

Why do drivers race so heedlessly to destruction on the highway? Hardly to save time. Scorching at 70 is an invitation to disaster. Over any distance, 50 m.p.h. takes only a few minutes longer and offers a better chance of a safe arrival.

When you start out with your family or friends, discount speed before you take off. Give yourself and others in your car an extra margin of safety by leaving earlier and holding your speed within bounds. It's your responsibility to them and to others on the road.

Remember—more than one out of every three fatal accidents is due to *speed*.

Shreve & Pryce, Kiwanis Little Leaguers Risk Shares of Leads

One and a half of the Menlo-Atherton Little League leads goes on the block today in a doubleheader slated for Little League park, Ravenswood avenue and Middlefield road, just across from Menlo-Atherton high school.

Shreve and Pryce will risk undisputed possession of top honors in the American League in the 6:30 p. m. nightcap when the Sport Shoppers oppose Van de Sande's while the Menlo Kiwanis club puts their half of the National League lead on the block in the 5 p. m. opener against All-American market.

League standings, going into today's games: National League — Lowe's 2-1, Kiwanis 2-1, Lions 1-2, All-American Market 1-2; American League—Shreve and Pryce 2-0, Van de Sande 2-1, Judd and Wright 1-2, Seybold and Ferguson 0-2. Shreve and Pryce and Seybold and Ferguson played to a tie; therefore, they have one less game on their record than the other teams.

Tomorrow's games: Lions vs. Lowe's at 5 p.m.; Judd and Wright vs. Seybold and Ferguson at 6:30 p. m.

Monday: Judd and Wright vs. Van de Sande at 5 p. m.; Lions vs. All-American at 6:30 p. m.

Tuesday: Seybold and Ferguson vs. Van de Sande at 5 p. m.; Lowe's vs. All-American Market at 6:30 p. m.

Shreve and Pryce maintained their narrow American League lead on Monday with another late-game rally while Lowe's seemingly airtight grip on the National League lead was loosened Tuesday and the Realtors were dropped into a tie.

Monday's scores were Shreve and Pryce 6, Judd and Wright 4: Kiwanis club 12, Lions club 7. On Tuesday All-American Market defeated Lowe's 5-1, and Van de Sande defeated Seybold and Ferguson 9-4.

Shreve and Pryce was trailing Ron Wagner's Judd and Wright nine by a 4-3 count going into the last inning when the league-leaders erupted for three runs to put it on ice.

They had scored twice in the third on a walk to Wells Richter coupled with singles by Dave Leahy and Ted Kobey, both on bunts, plus a passed ball and an error that allowed Richter and Leahy to score.

The third run came in in the fourth on Doug Garner's double, followed by a wild pitch and an error.

The fifth was wild with both scoring and arguing, with Judd and Wright finally protesting the game and with Randy Randick of Judd and Wright becoming the first M-A Little Leaguer to be ejected from a game.

Randick argued a bit too long and loud about the fielding play that allowed the winners to score their game-winning runs.

In the first game the Kiwanis club jumped on Lions' reliever Bob Lopez for 10 runs in the last two innings while Paul Gerherdt was whiffing 10 members of the opposition in gaining the win.

Lowe's previously hot bats were cooled tremendously on Tuesday by Lynn Laren's two-hitter.Lowe's got one unearned run in the third but the Marketmen drove starter John Marshall from the hill with five tallies in their half of the inning.

WINNERS

Van de Sande broke up the second game with seven runs on six walks, two hits and two errors in the fourth frame, sending Cliff Davis to his second loss. Davis had been impressive until then.

Jim Stonehouse rapped another long homer over the left field fence while Dallas Hall doubled off of it.

Lowe's Realty, Shreve & Pryce Held Leads In MP Little League at Close of Last Week

Shreve and Pryce sports shop and Lowe realty maintained narrow leads in their respective leagues late last week as the first week of Menlo-Atherton Little League play was concluded.

Shreve and Pryce had to settle for a 10-10 tie with Seybold and Ferguson in their tilt on Friday, but it was enough to keep them just ahead of Van de Sande and Judd and Wright. Van de Sande edged the latter by a 6-5 score on Thursday in the other American League game.

Lowe's, flexing their batting muscles to the dispair of opposing pitchers and managers, hammered out 14 hits and scored 16 runs against the Menlo Kiwanis club on Friday, but won by only a 16-11 score as the losers capitalized on errors and walks, getting just three hits.

In Thursday's National league tilt, the Lions club sent All American Market reeling into the cellar, temporarily at least, by a 17-1 count.

LEADING

The Sport Shoppers were leading Seybold and Ferguson Friday by virtue of four first inning runs on three walks, a passed ball, an error and a single when the roof fell in on Chucker Dave Leahy in the third.

Although he had been fairly impressive until then the Realtors racked out six singles, all of the garden (outer) variety, and also made use of four errors, two walks, a passed ball, and two stolen bases. It netted them nine runs.

Shreve and Pryce came back for three runs on three hits and two errors in their half of the frame while Seybold and Ferguson increased their lead to 10-7 in the fourth on a hit, a wild pitch and an error.

The final scoring was done by the league leaders in the last of the fourth as they used two walks, three errors, a wild pitch and a passed ball to score three runs and tie the game at 10-all. Neither team scored in the remaining innings.

Lowe's upped their team batting average to a remarkable .412 in the second tilt, racking Mark Roman for runs in every inning but the first. Manager Ron Tomsic's nine had its own pitching problems, however, as starter Frank Del Pozzo got into a jam and had to be yanked in the third trailing by an 8-6 score.

GETS WIN

He was relieved by Prime, who gave up three unearned runs in the last inning but got the win.

Lewis Cryer led the winner's attack, belting two bases loaded triples and driving in seven runs in all. Prime picked up a perfect three-for-three, including two doubles, while Rich Cottrell and John Marshall each got two hits.

The losers capitalized on walks and errors for most of their runs, picking up just three singles over the route. Thursday's American league tilt was also wild, but just on one side.

The Lions garnered 11 hits off Glenn and Jack Barrett, no relation, and blasted five doubles. Big Roger Postlewaite, Dan Felciano, Court Munford and Bill Wright all recorded two hits.

LONE TALLY

All-American Market's lone tally came on Jack Barrett's triple and an ensuing error in the first. They got just three hits off of Al Pryal.

Judd and Wright held a 5-0 lead over Van de Sande at one time, but Ron Wagner's nine succumbed to a five-run Van de Sande third frame and eventually lost, 6-5.

Signature Homes Gains Half Game in City Softball Loop; Andy's Looks Good Losing

Signature Homes gained a one-half game lead in Menlo Park Recreation softball league play Tuesday evening, posting their fourth win in as many starts with an 11-3 decision over Andy's.

The winners sewed the game up in the first inning, greeting Dennis Thomas with a six run barrage on five hits and three Andy's errors. Two runs were added in the third on Pete Katsumis' homerun with one on and in the fifth on Bob Duncan's four-master with one on.

The 11th run was also scored in the fifth when a single got through Centerfielder Jim Collins' legs.

Boyd Granger was hit harder and more often, however, than at any other time in the Menlo Park league this season.

Paying absolutely no attention to his impressive record, Andy's set about to get some runs back in the first frame.

GETS HOMER

After two were out Al Irish lined a single to left and Stan Michelsen, acknowledged as one of the league's best catchers, lined one of Granger's offerings between the outfielders in left-center for a home run, the only extra base hit off him this year.

Andy's got another run back in the second when Ralph Choplin singled and scooted all the way to third while the ball was being kicked around in right field and thrown away at the hot corner. He checked in from there on a wild pitch.

Secondsacker Morgan Myers lined a single to right-center to open the third for Andy's but was left stranded on third as Granger came back to strike out the next three men. He struck out at least two every inning and registered 14 for the entire game.

FOUR HITS

Andy's got four hits, twice as many as had been given up by Granger in any other game and one more than he had issued in all three games he had previously pitched.

In his other starts, Granger had twirled a two-hit shutout, a no-hit, no run game, and a one-hit, three run win. Only one of the three tallies in his last outing had been earned, however, while two of Andy's three were earned.

Mackall Appliance took sole possession of the league cellar in the first game, forfeiting to American Insurance, 7-0.

Doubleheader Tonight at Nealon; City Rec Softball Lead Split by J & A, Signature

A doubleheader is on tap for the Menlo Park recreation softball league this evening at Nealon park. The twin bill opens at 7:30 p. m. with Andy's opposing Mackall appliance. The nightcap, at 9 p. m., features the San Carlos Hostess shop and Sodini's tavern of Redwood City.

Next week's games:

Tuesday — Hostess Shop vs. Signature Homes at 7:30 p. m.; J & A Sales vs. Sodini's Tavern at 9 p. m.

Thursday — Hostess Shop vs. Andy's at 7:30 p. m.; American Insurance vs. Sodini's Tavern at 9 p. m.

The league standings, up to Monday, were: Signature Homes 3-0, J & A Sales 3-0, Hostess Shop 2-1, Andy's 1-1, Sodini's Tavern 1-1, American Insurance 0-3, Mackall Appliance 0-4.

In last Thursday night's games, the Signature Homes maintained their share of the league lead by besting Sodini's 7-3, in what was a good pitching duel until the late innings. J & A Sales held onto their half of the laurels in the second game, taking a 7-0 forfeit win from Mackall Appliance of Palo Alto.

TWO TOP MEN

Tall, slim Boyd Granger, owner of the league's only no-hitter, hooked up with Sodini's Bob Shriner in a pretty fair duel.

Granger, who had thrown a two-hit shutout and a no-hit shutout in his previous starts, striking out better than two men an inning, fanned the side in the first frame, but allowed one runner to reach second on a walk and an error.

Shriner struck out two men and got one on a grounder after having one man reach first on an infield error.

Two errors and a hit batter got Granger in a little trouble in the second; but he got out in good shape. Shriner also had a man on base, but he too got out without any damage. Sodini's went down in apple pie order in the third.

Signature picked up three tallies in their half of the third. Porkey Chaney walked and moved to third on Pete Katsumis' single. Katsumis stole second. Lee Moore then squeezed Chaney in from third and Katsumis checked in when Catcher Walker dropped the ball and it kicked back to the backstop.

While this was going on Moore, who was allowed to reach first safely, went all the way to third from where he scored on Jess Smith's bunt.

GAIN ON ERROR

Sodini's got two back in the fourth, however, on an error, two walks, and Pitcher Shriner's high-hopping single behind third. It was their only hit and the second run was the first earned run given up by Granger this season. He got out of the inning with the tying run in scoring position, however.

Signature sewed it up in the fifth when Moore belted a long home run to right-center with two out and Katsumis on base via fielder's choice. The four-master by Moore and Katsumis' single in the third were the only Signature hits.

Sodini's got one run and Signature two in the sixth, but all were unearned, made possible by dropped fly balls in the outfield.

Granger has now won three games and given up just three hits. He has walked six and struck out 29 and his earned run average is 0.39, nothing short of sensational.

Among the other chuckers the best marks are possessed by Lou Bellomi of J & A Sales, who threw a four-hitter with no earned runs in his only start, and Dennis Thomas of Andy's, who in two relief stints has yet to yield an earned run.

Dick Brown, Andy's outfielder, paces the hitters at the moment with Katsumis close behind. The top 10:

Brown, Andy's, .600; Katsumis, Signature, .583; Stan Michelsen, Andy's, .571; Vern Miller, J & A Sales, .571; Tom Carvell, Hostess Shop, .571; Jerry Agrella, Signature Homes, .500; Dick Shafer, American Insurance, .500; Al Irish, Andy's, .500; John Giraldes, J & A Sales, .500; Tom Baumgartner, Hostess Shop, .500.

Team batting: (times at bat and hits in parentheses) Signature Homes .371 (89-33); J & A Sales .356 (59-21); Andy's .273 (55-15); American Insurance .237 (59-14); Hostess Shop .228 (57-13); Sodini's Tavern .033 (26-1); Mackall Appliance .000 (19-0).

The statistics do not include Tuesday night's games.

EPAAC Softballers Lose to Dalmos

The East Palo Alto Athletic club's 'teen-age softball team finally lost a practice game last week when they bowed to Dalmo Victor 7-2 on a one-hitter.

Manager Ed Mazik's nine had previously won eight straight practice games and one out of two Menlo Park recreation softball league games. The team plays in the Menlo league under the name, Andy's.

Catcher Bob Cooley's line drive to left field in the fourth was the lone EPAAC hit. The locals scored their runs in the last half of the seventh on a walk and four Dalmo errors.

Lack of pitching finally caught up with the AC nine as regular catcher Stan Michelsen, who recently changed his name from Skeie, had to start although he had not pitched for over a month. Regulars Bill Gibbs, Dave Cogdell, John McCloskey and Dennis Thomas were unavailable. At that, Michelsen did throw a better game than the score indicated.

Menlo Park Team In 2nd PBL Start

Menlo Park's entry in the Peninsula Big-Little baseball league makes its second start this Sunday, hosting the San Carlos Boys' club at Flood park. Game time is set for 2:30 p. m.

Coach Lee Megginson's nine was turned back by Belmont 7-6 in its initial start at Flood last Sunday. Donn Thomas, who twirled the distance then, will probably get the starting call again this weekend.

The recreation department team battles the Palo Alto Cougars at Palo Alto high school on July 5, draws a bye on July 12, and plays Werders of Redwood City on July 19 at Flood in the final first round game.

2 Summer Plays Set at Stanford

Two plays are to be presented later this summer by the Stanford Players, it was announced this week.

The two include the modern play, "Second Threshhold," to be presented July 15 and July 22 through 25 and Shakespeare's "Henry IV," part I, to be presented August 6 to 8.

Tickets may be obtained by calling the Players' boxoffice, DA 3-0665 during regular business hours.

CONGRESSWOMAN VISITS

Congresswoman Elizabeth Lee, Democrat from West Virginia, recently visited the Menlo Park Veterans hospital as part of a tour of government installations in the San Francisco bay area.

Beat Peninsula Rivals:

Menlo Motors Ekes Out 3-2 Win to Stay in Running for State Softball Loop Title

Menlo Motors scored a narrow 3 to 2 extra inning victory over their traditional rivals from Redwood City, Peninsula Homes, at Hawes park, there Tuesday night.

Menlo had to come back from a two-run deficit to gain the victory in the eighth frame on By Pearch's single, a wild pitch, and Guido Budelli's double, which scored Pearch with the winning run with nobody out in the first extra inning of the contest.

Peninsula had scored two unearned runs in the first inning off Jack Bradshaw, and the Motors evened the count in the fifth on a triple by Bradshaw, singles by Jack Barrie and Lee Moore, and an infield error which allowed Barrie to score the tying run.

PICK UP NINE HITS

Menlo picked up nine hits off Bob Spillers, while Bradshaw, the winning pitcher, allowed but seven. Bradshaw fanned 10 and walked two, and was very effective after the first inning. Leading the attack for the Motors was Guido Budelli with three hits in four tries and By Pearch, with two hits.

This victory virtually narrowed the State league pennant race down to three teams: Napa Merchants, the current leaders; Menlo Motors, and Cal Supply of San Jose, who trails Menlo by one game.

Menlo Motors snapped back after their heartbreaking loss to Napa with a convenient 7 to 0 victory over the San Mateo Merchants in San Mateo last Saturday night.

It left the Motors firmly entrenched in second place, with a record of eight victories and four defeats.

Starring on the hill once again was the imperturbable Vern Grafton, who threw a one-hitter at the Merchants, while striking out eight and walking two.

It was the third consecutive shut out that Grafton had registered in State league play, and left him a record of seven victories and two defeats. This tied him with LeRoy Steck as the pitcher who had registered most wins in the league season.

TWO HOMERS

Against the Merchants, Dick Clegg and Guido Budelli hammered out home runs, while Lee Moore and By Pearch picked up two hits apiece. Motors iced the game on Budelli's home run with one man on in the fifth inning, and added to their total with three more runs in the sixth inning, to end up with seven runs on nine hits. Bill Taylor of San Mateo was hit hard during the game, and was the losing pitcher.

Saturday night Menlo plays Signature Homes in Redwood City in a none-league game, and entertain Cal Supply at Redwood City Tuesday, June 30, in a league game.

Hardball Signup At Burgess Gym

Registration is still being taken for boys 15 through 1 years of age, who wish to join a Menlo Park recreation department - sponsored hardball team.

Youths who are interested should contact the city recreation department office at Burgess gym, DA 2-1727.

Fred Parsons, recreation director, said this week that the team, when formed, will play similar teams from other peninsula cities.

Summer Basketball:

STARTS TUESDAY:

Play in a summer basketball league sponsored for 'teen-agers by Menlo Park recreation department is scheduled to get underway on Tuesday.

The opening night schedule:

East Palo Alto Athletic club vs. the East Palo Alto Violets at 7 p. m.; Farman's five vs. the Palo Alto 69ers as 8 p. m., and the Palo Alto Vikes vs. McCoy's Home Furnishings at 9 p. m.

A tripleheader will be played nearly each Tuesday and Thursday evening for the remainder of the summer. Each team will play 15 games.

'Bookmobile' Stops Are Revised; New Ones Added

The San Mateo county library this week reminds patrons of its "Bookmobile" that the latter facility's schedule of stops in the south county will be revised during the summer months and that in addition to changes, two new stops have been added to the schedule.

The new stops will be in Palo Alto gardens, on Pulgas avenue near Bayshore and in North Fair Oaks, on Middlefield road near Sixth avenue.

The schedule of stops during the summer will be as follows:

July 7, July 21, Aug. 4 and Aug. 18; Ladera, 9:30 a.m. to 11:30 a.m.; Alameda and Avy, 12 noon to 2 p.m.; Las Lomitas school, 2:15 p.m. to 4:15 p.m.

July 3, July 17, July 31, Aug. 14, Aug. 28: Belle Haven school, 9:30 a.m. to 11:30 a.m.; Palo Alto Gardens, 12:15 p.m. to 2 p.m.; University Village, 2:15 p.m. to 4:15 p.m.

June 26, July 10, July 24, Aug. 7, Aug. 21: North Fair Oaks, 10 a.m. to 12 noon; Willow school, 12:30 p.m. to 2 p.m.; Flood Park, 2:15 p.m. to 4:15 p.m.

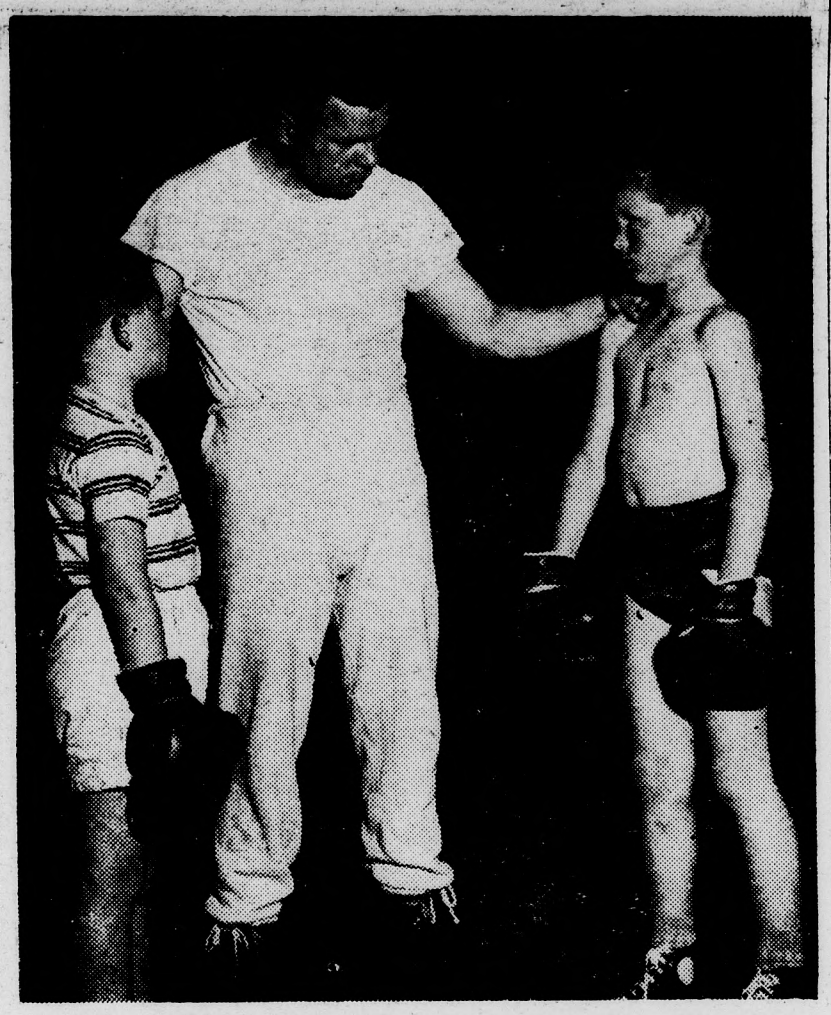

Men's Baseball Team Sign-ups Continue

Sign-ups for adult soft-ball league teams will continue through tomorrow at the Ravenswood Recreation Center, DA 3-6671, according to Jack Farrell.

Anyone wishing to be placed on a team should apply at once. Also, any team wishing to sign in as a unit should do so this week so that Jack can work up his schedule of games. Clubs and organizations are urged to whip up a team so that this twilight league will become a real community affair.

"Don't forget that this is just for fun. No hard and fast rules and regulations, no dues, no uniforms, just plain sand-lot games will be played," says Sidney Waller, director.

'Decorated Wheels' Days at Playgrounds

Special programs at four playgrounds in Menlo Park will be initiated on July 1 and 2, when "Decorated Wheels" will become the theme of activities at Nealon park, Hillview school, Willow school and Belle Haven school playgrounds.

The programs will be the first of a summer series of special events at the playgrounds.

The theme will be observed at Willow and Belle Haven on Wednesday; at Nealon and Hillview on Thursday.

Directing the programs will be Margie Lageson, playground director at Nealon; Joan Isham at Hillview; Betty Dwyer, at Willow and Gordon David at Belle Haven.

350 Are Registered For Summer Classes

More than 350 youngsters, including more than 50 who have signed up for places in a youth orchestra, have started taking courses in Menlo Park recreation department-sponsored summer courses, it was revealed this week.

The music class meets each Friday at 1 p. m. under the direction of Miss Lucie Landen, Menlo Park School District instrumental music instructor. There are still openings in the group, it was indicated this week.

Meanwhile, in classes which meet at Burgess park, 66 have signed up for tumbling, 20 for archery, 46 for baton-twirling and 50 for tennis.

A total of 119 have signed up for a crafts class which will be presented at the four other playgrounds of the district.

MP Swim Classes Open with Full Complement of 270

About 270 persons are now enrolled in swim classes which started at the first of this week, it was reported yesterday, as the first session of summer swimming classes began at Burgess park pool.

The 270 are not, however, the only ones who'll get instruction at Burgess park pool this summer. Gayle Allinger, playground director, pointed out that registration for the second series of classes at the pool will be held July 6, 7, and 8; that session will begin on July 13.

Meanwhile, those attending the present classes, are undergoing intensive training, attending for five days a week for two weeks. Classes are limited to about 30 persons; there are four instructors assigned to each class.

By classes those registered include 15 in junior and senior lifesaving classes; 12 in an adult beginners' class; 33 in a 7-year-old beginners' class; 30 in a class for 8-year-old beginners; 31 in a class 9-year-old beginners; 29 in a class for beginners 10 years old and older and 30 in a class for persons with some swimming experience but who are still beginners.

Other classes being given include intermediate swimming classes with 26 persons in one section and 30 in another; 29 advanced swimmers and seven adult intermediate swimmers.

The current swim class sessions will end July 3.

Persons wishing further information before signing up for the next session should call Burgess park gym or pool, DA 2-1727.

Oregon was the leading producer of filberts in 1952.

Pool Is Open:

7 DAYS A WEEK

Burgess park pool this week began its full summer schedule, Pool Manager Tommy O'Neill reminds residents, which means there's public swimming to be had seven days a week.

The pool is open from 1 p.m. to 5:30 p.m. weekdays; on Saturdays and Sundays, it's open for public swimming from noon to 6 p.m.

Swimming classes are held weekday mornings, and a lifesaving class meets Saturday mornings.

Aiding O'Neill in operating the pool are instructors Taylor Hathaway, Leroy Druepple and John Pederson; relief guards and bathhouse attendants Art Lambert, Jim Anderson and Eleanor Loveroff.

Dance Class Signup Still in Progress

Registration for summer interpretive dance classes for girls and women from kindergarten through adult age groups, is continuing at Burgess park gym.

Women and girls interested in joining the courses may register between hours of 9 a. m. and 12 noon today, tomorrow and Saturday.

The courses, which continue for eight weeks, are under the direction of Mrs. Marianna Crowder and Mrs. Eva Geddes. A nominal registration fee is charged.

ea pig," he said, "something to use as a guide in moving into other areas, but without letting go of these other locations for the present."

"The idea is," he said, "that this joint program may save the taxpayers a considerable amount."

FEARS 'CROWDING OUT'

Councilman George S. Ford queried Melville Homfeld, elementary school district superintendent as to the possibility that recreation facilities which the city might help provide would be crowded out by additional school buildings in the future.

"I see no possibility of that," Homfeld replied.

Councilman Arthur Cobbledick declared there are other purposes for parks than those offered by school playgrounds. He recommended that the proposed areas should be acquired for possible development into "quiet areas" where people can "get away."

James Franklin, representing the Belle Haven Improvement association, emphasized the need of the area east of Bayshore highway. He pointed to the large number of young children there, indicating there will be at least 800 to 900 teen-agers in the area by 1956.

Thomas Mullen of the recreation commission stated the fear that the city is running out of recreation land and declared he felt it was a good idea to acquire the sites now.

NPA HOPES TOLD

John R. Chaffet, speaking for the North Palo Alto Residents' association, declared the hope that the city would acquire the property on Gilbert street without considering that the school district might want it.

"People in that area believe the school has sufficient room for a junior high school without having to use that land," he said.

Other speakers in behalf of the needs of the Belle Haven area were Harry Murov, 1263 Madera avenue, and Edward Knight, 1118 Berkeley avenue.

The council indicated the recreation commission would be asked to submit a written report on how the master plan-proposed areas would be tied into the overall recreation program in view of the demonstrated willingness of the schools to cooperate in development of facilities for use by the entire community.

New Project Adopted By Menlo Park BPWC

When the Business and Professional Women's club of Menlo Park held their meeting Tuesday at Bula Kopf's, they voted on their project for the coming year. The project is to be "Problems facing the maturing woman seeking employment in our area."

Among the other matters taken up was the announcement that Mrs. Alice Haidinger, who is studying aspects of American life under the Leaders Exchange program, has been contacted in regard to attending the July 14 BPW meeting. Mrs. Haidinger, a Business and Professional Women's club member from Hamburg, Germany, holds a doctor of law degree from the university in that city, and should prove a stimulating guest.

William Neylans Welcome a Son

A bouncing young son, weighing six and a half pounds, put in his appearance Tuesday at the Palo Alto hospital. The infant is the new addition to the William Neylan family, and will have as his sister, Linda Neylan, aged 4.

Neylan, head of the Recorder's advertising staff, is a member of the Menlo-Atherton Junior Chamber of Commerce; his wife, Peg, is active in the Jaycettes.

Down To Earth:

Garden, Too Must Receive Special Favor As Family Leaves It for Vacation Trips

By TERRY LEE

The gardener who looks forward to his vacation in July or August may also be wondering about what will happen to his garden and his yard while he is away.

A little planning and extra care a few weeks before vacation time should carry the garden through unattended for at least a week, and even a few days more.

Longer vacations than that require that some provision be made to have the lawn cut and flower gardens and grass watered. This kind of work can be handled by a high school boy in the neighborhood. The many other maintenance jobs, if handled before vacation-time, can be neglected as long as three weeks.

SPRAYING

Spraying and dusting should be done two weeks before vacation time—to eliminate the desire to plaster the plants with dust the day before taking off. A thorough dusting of the whole yard with DDT or chlordane is a good precaution. I also set out snail bait and spray my fruit trees and tomatoes with bordeau.

Garden areas should be cultivated and all weeds pulled up. There will be weeds to greet you on your return, but in small size.

I stake all tall plants, like delphinium, dahlias, glads and tomatoes and tie them as high as possible. Vines should also be caught to their supports. Pinch back all plants that should remain bushy — chrysanthemums, zinnia, marigolds, etc.

Feeding of plants should be done two weeks before leaving, as the plants will need extra water during this time and probably extra staking or pinching back. Their burst of growth will have slowed down by the time you leave.

Try not to leave any plants in flats or shrubbery unplanted, as they may die from lack of water or overcrowding.

NEW PLANTS

Plants need constant watering and some shade for a week or two after planting, so try to get this done long before leaving for vacation, or postpone it altogether.

The biggest problems will arise from a lack of water. Give your lawn three to four extra soakings the week before leaving. The soil soaker should be run about three hours around all shrubs, and flower and vegetable gardens should get extra soakings like the lawn.

Cultivate the day before leaving and spread the gardens with grass clippings or other mulch.

If you have someone to do extra watering for you, be sure to leave out enough hose and sprinkler heads, as they will probably be less energetic than you about moving equipment.

If you have time, wash off the leaves of shrubs—this will remove dust from the pores and knock off mites and aphids.

PLANTS ON VACATION

You can give your houseplants a summer vacation by setting them outside in the garden. Sink them in the ground, pot and all, and be sure to pick a spot that will keep them protected from sun and wind.

They will benefit from the fresh air and the weekly garden sprinkling.

Do not leave a saucer under a pot that will catch a lot of water.

Watch for aphids and meally bugs. Some plants will thrive so much there will be cuttings for friends by fall.

GARDEN CALENDAR

WEEK OF JUNE 25

Thin by hand the little green fruits ehat line the branches of peach, plum, pear and apple trees. Six to eight inches is a good spacing. Thinning apples may enable the tree to set a crop of fruit annually. Too heavy a crop one year may weaken the tree so that it does not set flower buds for the following year.

You can increase the fragrance from a plant by spraying the leaves and flowers with water.

* * * *

Camellias can be pruned, too, but only to correct the general shape of the plant.

Camellias set their buds during the summer. Hence they should have plenty of water and a good feeding right now.

Water is important all summer, and I am apt to forget this unless I plant summer annuals near the camellias.

Begonias are excellent for this. If the plant is not a good shade of green, it may need some extra iron.

This is sold under various names like "Irontone," "Ironox," and two teaspoons per bush is enough.

This will also correct the bad leaf color in azaleas, roses, gardenias, fuchsias, begonias.

* * * *

I happen to love begonias and delphinium, and so do the various gophers in our neighborhood. At last I have a solution.

I plant seedling begonias (no tuber to eat!) and put my tubers in five inch pots which I sink in the ground. (Don't forget that begonia flowers face in the direction the leaves point.) Before planting delphinium I make a wire basket of a two foot square of chicken wire.

I set the roots in this and fill in with leaf mold after setting the basket in a good sized hole.

* * * *

Pinch off the growing tip of new annual seedlings (like mari golds, snaps, zinnia, petunias etc.) to get a bushy, many-flowered plant. Be sure to keep watered any newly planted material.

MP Man Directs Glee Club Group

Eugene Brown, of Menlo Park, is director of the Lenkurt Glee club which has been making special appearances throughout northern California.

The 30-voice glee club sang recently in wards of the U. S. Veterans hospital at Yountville as a part of the observance of American Legion day.

The Lenkurt choral group also has performed recently at the U. S. Veterans hospital at Palo Alto and the San Mateo county home at Crystal Springs.

The glee club is sponsored by the Lenkurt Recreational association, employees' organization at the Lenkurt Electric company, San Carlos.

Brown, whose home in Menlo Park is at 630 11th avenue, is a member of Lenkurt's production staff.

Another Menlo Park resident, Clifford R. Stout Jr., 403 Haight street, is a member of the glee club.

2 From Menlo Park At VFW Confab

Menlo Park Veterans of Foreign Wars post 7145 delegates to the state department VFW encampment in Oakland June 19 to June 24 were Rudy Kohlruss, commander and George Lange, adjutant.

Friday doings consisted of registration; Saturday, council of administration proceedings were held at the Oakland veterans building and Sunday a parade through downtown Oakland was featured.

Business sessions were attended Monday by the two men; honors and awards were presented at a banquet Tuesday evening, announced Al Niemeier, public relations officer of the local post. All local post members and auxiliary members were invited to attend.

HALFWAY MARK

The Republican Roundup, annual fund raising campaign, has reached the halfway mark, according to drive chairman Claus Spreckels of Menlo Park.

The Albert and Kaibab squirrels are unique in that they possess tufts of long hairs on the ears.

Community Gets Thanks for Work On Senior Party

Sponsors of a recent party for Menlo-Atherton high school's graduating seniors this week received a word of thanks from Mr. and Mrs. Leo Roselyn and Mr. and Mrs. Floyd Davidson, who arranged the affair.

"The celebration was successful because of the splendid generosity and cooperation of the entire community," Davidson observed, listing some of many individuals and organizations which contributed to the affair.

The party was held on the evening of June 11, following commencement exercises at the high schol, at Burgess park gym.

Members of the graduating class and their partners for the evening dined and danced until 3 a. m., with all entertainment and food provided by businesses and individuals of the community.

Door prizes, taking the form of a flight around the San Francisco bay area, were provided by an air line, for 50 of the graduates attending.

Menlo Park Police Chief George Potter described the party as one of the "best ever" and recently commended all concerned on its success.

AT PALO ALTO HOSPITAL

Palo Alto hospital was the scene, June 13, of the birthday of a baby girl to Mr. and Mrs .Leroy Valladao of 323 Hedge road.

Passports On Hand:

Once Again It's 'Bookland Tour Time' For Youngsters at Menlo Park Library

With the advent of summer, the Menlo Park branch library this week issued its annual invitation to youngsters remaining at home to take a "Bookland tour" of the countries of the world.

A large stock of travel books, and volumes dealing with other lands has been placed at the library and, as in past years, children of third grade age and older will be provided with passports which will be "visaed" as countries are "visited" via the book route.

Too, a large map of the world has been placed in the library, so that young "tourists" may mark, with colored flags, the countries they haved visited.

Last year, more than 35 children took the tours.

Some of the places for which the library is stocking books for China, India, Japan, Siberia, Thaithe tours are Africa, Alaska, Asia, land, Central America, the European countries, the Pacific islands, Australia, South American countries, the polar regions and the United States.

Those taking the tours need only have library cards to qualify to take the summer tours through Bookland. And the trips can be taken without even leaving home.

The jobs that come in cans

The American Can Company hasn't yet worked out a practical container for packing jobs and economic security. We make cans—we do no canning.

But, by making *better* cans, we have actually created job opportunities in many different fields.

All kinds of things—foods and beverages, paints and varnishes, tobacco and tennis balls—keep better, are more convenient and easier to use when they are packed in the right kind of container.

So, markets for these products expand. Thousands of new, well-paid jobs open up, and incomes climb.

In fact, whole new businesses have been able to get started because a suitable can was developed to hold a product. You probably know of manufacturing plants right in California that owe their existence to the industry.

Creating new jobs is only one example of what America has accomplished in our free, competitive way of doing business. People working together, playing together and living together bring social and economic gains to all.

And such teamwork between our people and our business system promises greater prosperity and more jobs for our future.

Heavy Onset Of Communicable Diseases Here

A total of 85 cases of communicable diseases—most, however, in the "children's disease" category—were reported from Menlo Park during May to the San Mateo county health and welfare department.

Most prevalent disease reported during the period was German measles. Thirty cases of that malady were reported. Runners-up were mumps, of which 24 cases were found here; measles, of which there were 16 cases found and chicken pox, of which there were 10 cases.

Also reported were two cases of tuberculosis and one case each of gonorrhea, hepatitis and syphilis.

In East Palo Alto, there were 23 cases of chicken pox reported as well as eight cases of measles, six cases of mumps and three cases of German measles.

In Atherton, there were seven cases of measles and mumps, and two cases of German measles, reported.

Democrats Told Of Exploitation

"We must elect men in 1954 and 1956 who will not give away the public domain," Professor Richard W. Gable told members of the Menlo-Atherton Democratic club at a recent meeting.

He disclosed that stockmen and timber interests have indicated a desire to have parts of the public domain placed in private hands in order, he said, to facilitate faster and more complete exploitation.

"Stockmen want grazing lands returned to private interests as do timber interests want forests. But history has proved that these grazing lands became eroded 'dust bowls' when men out solely for profit exploited the land," Gable stated.

Federal government, he added, has had great success in restoring explointed land, however, he said. He cited the Tennessee Valley Authority as one agency whose land reclamation works extend over several states.

More than 60 members of the Democratic club attended the meeting, which was held at the Menlo Park civic center.

MP School Board Asks About Drain

Menlo Park School District trustees, learning that a letter asking the county engineer's office when they can expect an entrance to a street drain near Oak Knoll school to be repaired has received no reply, have called for the sending of a duplicate missive.

The street drain, on the Vine street side of the school, is large enough so a small child could be carried into it. In a previous letter to the district, County Engineer Captain M. A. Grant stated a grating would be placed at the upper end of the drain, but gave no date.

Last month, District Superintendent Mel Homfeld sent a letter inquiring as to when the district could expect the grate to be installed. No reply has been received to date, according to trustees.

Homfeld was authorized to send Grant a duplicate of his previous letter. The first letter from Grant, stating his department would do the work, was also received only after long correspondence.

VISITS CONGRESSMAN

George M. Weber of Menlo Park was a recent visitor at the Washington offices of Congressman J. Arthur Younger, the representative reports in a letter from the capitol.

Art of Printmaking Once Again Displayed In Exhibit of Eight Works at MP Library

By J. SAVAGE WILDMAN

Now on exhibit at the Menlo Park branch library, 631 Menlo avenue, are eight prints by members of the California Print Makers association. These pieces represent the perfection of one of the oldest art mediums known to man. Block printing has been done in the orient for centuries and was widely used in Europe and the United States, for fine illustration, as late as the 1880s.

"Fishermen," a drypoint by H. F. Kellogg, exhibits the influence of oriental prints on western artists.

A boat, gliding across still waters, and a point of land are handled as dark objects while the horizon, sky, and foreground are done very lightly with a minimum of detail. This is very similar to the oriental method of using the fewest possible props and allowing the observer's mind to fill in the details.

CAPTURES

James Swann is showing a drypoint and aquatint entitled "Vespers in Varberg." He has captured the tranquility of a church at dusk with the city's streets deserted, except for a lone, bent figure trudging up the church stairs.

Another piece of peaceful grandeur is Harold L. Doolittle's "Morning in Yosemite," an aquatint.

He shows the viewer the overpowering beauty of granite cliffs towering to unbelievable highs, draped with a thin vale of morning haze.

To gain this effect, areal perspective was used in is simplest form. The trees in the foreground are black silhouettes against the medium tone of the middleground. The cliffs behind are even lighter in value, thus carrying the effect of distance through the atmosphere.

"Laborers," a drypoint by Leslie Cope, is a dynamic handling of a rather restful subject, two horses quietly grazing by some trees. Yet the active lines used throughout the piece charge it with a strength suggestive of the horses' great power.

E. Stetson Crawford's "A Good Little Corner, Venice," an etching, shows the etcher's masterful use of the line in both outline and shading. The overall effect is a pleasing, sun-drenched Italian street scene.

SIMILAR FEELING

Very much of the same feeling is found in M. R. Bebb's "Arkansas Apples." This is a softground etching and aquatint in color done in the rather flat manner of a story-book illustration. Yet it is filled with the drowsy, quiet mood of the farm.

"Nets Ashore," by Carl J. D. Nordell, is an etching which also employs the use of areal perspective. A heap of nets and cork floats give the picture a dark foreground. The three working figures in the middle ground are handled in medium tones while the background is only suggested.

Orpha Klinker's aquatint, "The Rugged Way to Monterey," is handled in a very bold manner. It is a dark and brooding piece with a pattern of light coming down through the center of it.

The display has been at the library for the last several weeks and, according to the librarians, is expected to remain there for several more weeks. This affords a rare opportunity, for those interested in print making, to view the works of artists in this field.

School Board Alters Date of Meeting

Regular July meeting of the Menlo Park Elementary School District board of trustees will be held at 8 p.m., July 6, at Central school, District Superintendent Mel Homfeld said this week, in order to accommodate members of the board who plan to be out of the district later in the month.

The meeting will concern itself with normal business, Homfeld said, adding that he doubted if a "firm" budget figure could be given at the July meeting, since the county assessor's office seldom has figures available that early in July.

Women Hurt In Atherton

Three San Jose women suffered minor injuries in Atherton Friday evening, when a car in which they were riding became involved in a three-car collision at Atherton avenue and El Camino Real.

Mrs. Virginia A. Campisi was the driver of the vehicle in which the women were riding. It was the middle car in a "rear end" three car crash.

Mrs. Campisi told officers she had stopped behind a car driven by Elmer Amark of San Mateo when her car was struck in the rear by an auto driven by William R. Cornejo of San Francisco.

Mrs. Campisi and her passengers, May and Rose Campisi ,were treated at Palo Alto hospital and released.

Health Department Issues Warning

With vacation time at hand, the San Mateo county health and welfare department this week gave its annual listing of hints designed to keep the season a happy one.

1. Avoid sunburns. Not only are they painful, but actually injurious to health.
2. Avoid drinking water from unknown sources.
3. Avoid swimming in irrigation ditches, canals, creek and rivers not regularly set aside for swimming.
4. Watch out for poison oak.
5. If travelling, don't eat in restaurants that are not clean and free of flies or where food is served from cracked or broken dishes.
6. Avoid unnecessary fatigue. Get a good night's sleep.

The common loon grows to a length of 2½ feet.

Treated Sludge To Be Available To Residents

Due to heavy demands, sludge being dumped as the final product of sewage treatment at the Menlo Park Sanitary District's plant east of Marsh road will be available free, but only to district residents.

The material will be made available when the district's own needs have been fulfilled, plant operator Warren Uhte said yesterday. Residents will be notified, through newspapers, when sludge, for use as a home soil conditioner will be available.

The product is "far below" specifications of commercial fertilizer, according to Uhte, and it contains a great number of fertile melon and tomato seeds. It is low in potassium and nitrogen.

Its condition on the sludge lagoon, where residents will have to go to pick it up, is such that it will need to be either ground or composted before it can be used.

Cub Pack 5 Holds Last Meet of Year

Members of Cub Scout Pack 5 and their parents June 18 gathered for the last time during the current year, at a barbecue picnic at Flood park.

After the Scouts finished their own outdoor cooking, they had several contests including sack races, tug-of-war, and other feats of skill.

At the conclusion of these, awards were presented to Cubs who had earned them by Cubmaster William B. Brown; after the awards were given the Cubs gave an ovation and vote of thanks to Mrs. Paul Zinder and Verne Miller for their work during the past year.

The program concluded with the playing of taps by Kenny Lynch.

Those who received awards included:

Jack Beall: Wolf badge; **Michael Brown:** Bear badge; **David Felciano:** Golden Arrow (Wolf) and Silver Arrow (Wolf); **Bobby Susinetti:** Silver Arrow (Wolf); **Stephen Brennan:** Lion badge; **Billy Armstrong;** Bear badge and Silver Arrow (Wolf); **Donny Lewis:** Denner stripe; **Roger Robinson:** Assistant Denner stripe.

MP Man Granted $2000 Fellowship

Marvin B. Schiller, 2120 Santa Cruz avenue, has been awarded a $2000 fellowship in creative writing at Stanford university, it was announced there this week. The local man is one of five to be so honored, and is to enroll at the university's creative writing center at the start of the autumn quarter.

Schiller is currently a graduate student at Stanford, and a candidate for the AM in creative writing. He received his AB in 1951 from New York university, and his family's home is at Riverdale, New York.

The five persons who received the fellowships were chosen from approximately 100 applicants by a committee composed of Stanford English department members.

Heart Association Sponsors Course

The San Mateo County Heart association is conducting classes in "Work Simplification in Home Management" using "time and motion methods."

A graduate home economist is teaching peninsula homemakers how to cut their household duties 25 to 50 per cent by doing the job the easy and efficient way.

Classes are held in the San Mateo city hall council chambers every Tuesday morning from 10:30 to 11:30 a. m. Instruction is free.

FRENCHMAN SPEAKS TODAY AT STANFORD

Motorcyclist Hurt in Crash On Bayshore

Leyland G. Brooks Jr., 20, of Palo Alto, was reported in improved condition at Palo Alto hospital yesterday, after sustaining injuries when his motorcycle was involved in a collision with a car here Monday afternoon.

The mishap occurred at the highway's intersection with Sevier avenue, the highway patrol reports. Brooks' vehicle was involved, in the crash, with a car driven by Florence E. Eikamp, of 1208 Hollyburne avenue.

Brooks was northbound on the highway and Mrs. Eikamp was crossing the thoroughfare in a westbound direction.

The cyclist was treated for compound fractures of the right forearm and for lacerations about the scalp. Mrs. Eikamp was also taken to Palo Alto hospital for treatment,

EPA Group Meets, To Consider Rezoning

Second meeting of a "zoning committee," formed under the auspices of the Ravenswood Boosters, met last night at Ravenswood school auditorium to hear Reine Liukkonen, senior planner for the San Mateo county planning commission, discuss "land use" in the area.

The discussion concerned rezoning needs of the area as they are expected to become felt, after completion of Bayshore freeway through East Palo Alto. Investigating committees also were to be appointed at the meeting.

Liukkonen had previously suggested to the Boosters that they study the projected needs of the area, and make recommendations to the county planning commission as to how they would like to see their area rezoned.

The current committee in charge of the study is composed of representative citizens of the area, the Ravenswood School District, Ravenswood Park, Recreation and Parkway District and other organizations.

BANK OF AMERICA
WORLDWIDE SCOPE — STATEWIDE SERVICE
NATIONAL TRUST & SAVINGS ASSOCIATION
CALIFORNIA

ANNOUNCEMENT

The people of California, through their duly elected representatives, have indicated that they are now in favor of the closing of the banks of this state on Saturdays. A law giving effect to this has been enacted by the California Legislature and approved by the Governor.

Various banking institutions in California have been observing Saturday closing for some time, but Bank of America has continued to operate all its branches on that day, consistently following its long standing policy of providing its customers with Saturday banking service until such time as the people, either directly or through their chosen representatives, determined that a change should be made.

Such a determination now having been reached, this bank accordingly will discontinue its Saturday banking service, effective Saturday, July 11, 1953.

MP Pastor Marks 20th Year As Minister

The Rev. Robert G. Hovland, pastor of Menlo Park Lutheran church observed his 20th anniversary as a minister at the church's regular services, at Menlo Park civic cented last Sunday.

Reverend Hovland, who has headed the local congregation since it was formed in February, 1952, titled his topic last Sunday "My 20 Years in the Ministry." The congregation of the church now numbers 160, and a two-acre site for a proposed church has been purchased.

Reverend Hovland became a minister after 10 years in public and private school work as a superintendent and teacher. He entered the Luther Theological Seminary at St. Paul, Minn., in 1930, and was graduated in 1933.

Rev. Hovland began his ministry at Pelican Rapids, Minn., on June 18 and in 1937 came to the Norwegian Lutheran church at Dolores and 19th streets, San Francisco, where he served for 10 years.

Beginning in the fall of 1947 he traveled as evangelist for the Evangelical Lutheran church, continuing in this capacity for about a year. This was followed by three years as president of Salem college and academy at Salem, Ore.

In December, 1951, Hovland moved to the Menlo Park area and held his first services here.

Sunday School Sets Commencement

Temple Baptist church will hold commencement services for the Vacation Bible school which has been conducted the last two weeks during the Sunday school hour on Sunday morning, June 28 at 9:45 a.m.

The services will be at the Palo Alto Masonic temple, University avenue and Florence street.

Displays of notebooks made, handwork completed and a demonstration of the work accomplished during the school will constitute the program.

Parents of boys and girls who attended the school held at 460-464 Wisteria drive are urged to attend.

KLEINS HAVE BABY

Mr. and Mrs. Kenneth Klein of 1207 Henderson avenue are the parents of a daughter born June 6 at Palo Alto hospital.

2 Commercial Buildings on Highway Planned

Development of Menlo Park's commercial areas took two steps forward this week, with issuance of a building permit for a $35,000 store building at El Camino Real and Santa Cruz avenue and issuance of another permit, subject to approval by the planning commission, for a $12,000 specialty building at Roble avenue and El Camino Real.

The $35,000 building will have from one to five store units, facing both the highway and the avenue. Wells, Fargo bank has been named as the owner; J & M Builders of Menlo Park are the contractors. The building's plans have already been approved by the city planning commission.

The $12,000 structure at Roble avenue and El Camino Real will house "a facility which will complement our present fish market and sea food restaurant," according to Cook's Sea Food operators Charles Gleason and Robert Rahe, the builders.

They declined to make further disclosures as to the nature of the business, but said it would be housed in a 40-by-60 foot building, to be constructed by Contractors Odle and Olson.

The building plan is yet to be approved by the city planning commission.

Indicating that another lot, also, will soon be available for commercial development was the issuance of a permit for the demolition of an existing residence at 1135 Chestnut street.

BULA KOPF was hostess Tuesday evening when members of the Menlo Park Business and Professional Women's club gathered at their Atherton home. Featured at the session was a book review by Naomi Whitman.

Heart Association Gives Out Awards

A Bruce Barton award for firemen's contribution to the success of the San Mateo county Heart association's recent fund drive was presented to the Menlo Park District, along with other departments of the county, at the recent annual meeting of the county organization.

The Heart association's fund drive collected a total of about $22,000, it was reported. Menlo Park Fire District firemen aided the drive in the south county area, placing containers at various locations in commercial areas in the district.

The meeting also saw the election of Dr. Niel K. White of Menlo Park, to the executive committee, and the granting of recognition to several other south county members of the association. These included:

Emmett Cashin, in charge of business area solicitation in Redwood City and Menlo Park; Mrs. James Brainerd, Mrs. Charles F. Hutchinson, Mrs. Charles J. Freeborn, and Mrs. Lewis Coleman, all of Atherton, who were active in personal solicitation during the drive.

FATHER OVERSEAS

Sandra Waymond, wife of L. J. Waymond, 1008 Peggy Lane, gave birth June 16 to a baby boy. Scene of the event was Sequoia hospital. The infant's father has never seen him, since the former is presently stationed in Korea with the United States marine corps.

Miss Davidove Wed Saturday In Home Rites

The fragrance and color of summer flowers blooming in the garden of the Emanuel M. Davidoves' Santa Cruz avenue home provided a perfect backdrop Saturday for the marirage of their daughter, Virginia, to Charles Hedtke of San Francisco.

The bridegroom, whose parents are Mrs. Herman Hedtke of San Francisco and the late Herman Hedtke, was graduated from Lowell high school and went on to Reed college, where he and Virginia met. Virginia, a Sequoia alumna, and her husband plan to attend the University of California in the fall. .

When the justweds return from their honeymoon to Clear Lake, they will occupy a residence at 2631B Channing way, Berkeley.

For her marriage Virginia had chosen a white satinized pique frock styled as an informal afternoon dress. With this she wore a white and gold stole and a set of gold bracelets, dating from the Revolutionary period, given to her by her godmother.

A bouquet of white carnations and stephanotis completed the wedding ensemble.

There were no attendants for the bride and bridegroom. Special guests at the marriage, however, were the bride's godparents and the bride's aunt, Mrs. Dora Gold of Cleveland, Ohio, who came out especially for the wedding.

Mrs. Davidove watched the ceremony in an aquamarine silk afternoon dress worn with a corsage of yellow carnations, while Mrs. Hedtke looked on in a figured silk pink frock spiced with a pink carnation corsage.

Frank Hunt of Burlingame, who had married the bridegroom's parents, performed the ceremony during which Virginia and Charles exchanged bands of white gold. Mrs. Hunt provided the piano melody.

Climaxing the day for the newlyweds, their parents and guests was a gala dinner held at the Vieux Carre.

Carol Lee Roselyn Becomes New Mrs. Roger M. Wagner

NEWLYWEDS AND ROSELYNS
—Menlo Camera Shop photo

It's been a full and wonderful few weeks for the Leo Roselyn family of Atherton, but the most wonderful event of all took place Saturday afternoon, when Carol Lee Roselyn, who has just been graduated from Stanford, became the bride of Roger Marsh Wagner, another "Cardinal" alumnus, class of '52.

The wedding ceremony, conducted by Dr. Howard Thurman from San Francisco, took place in the Roselyn garden beneath the bride's favorite two birch trees.

Blending in with the lovely natural setting was Carol's wedding dress, a street length Oleg Cassini original of irridescent silver-gold beige silk highlighted by an eggshell satin pouff around the hipline.

With this she wore a headpiece of baby calla lilies, and carried a bouquet of lilies and antherium.

Serving as sole attendant was the bride's sister, Nancy Roselyn, a June graduate from Menlo-Atherton. Nancy's frock was of street length white shantung, fashioned with a flared skirt and sleeveless, boat-necked bodice.

Contrasting with the white dress were Nancy's accessories—red shoes and red-orange bouquet made from Peruvian lilies, calla lilies, wild daisies and gladiola.

The bridegroom, son of Mr. and Mrs. William Wagner of South Pasadena, had chosen a Stanford classmate, James Boyle, as best man. Jim is presently attending Stanford law school.

And lending their voices before the wedding rites were two of Carol's Stanford friends, Joan Stenson and Jess Thomas.

The 150 guests who witnessed the wedding remained at the Roselyn's for the reception-party, which Mrs. Roselyn co-hosted in a gown of off-white lace worn with a corsage of green symbidium orchids; the bridegroom's mother was dressed in blue lace with which she wore pink-white symbidiums.

Three strolling musicians garbed in Latin American attire supplied the gay music for community singing and dancing around the swimming pool, white balloons and Japanese lanterns provided light and color to the cabana.

Carol and Roger are looking forward to a summer-long honeymoon at the Roselyn residence, since Mr. and Mrs. Roselyn and Nancy, who, incidentally, is enrolled for fall quarter at Stanford, will spend about three months in Europe (they left Tuesday). And because of their summer ahead in Atherton, the newlyweds did not journey anywhere after the wedding reception.

Before she entered Stanford, the bride was graduated from Sequoia high school. Her husband received his pre-college education at South Pasadena high, and after graduation from the "Farm," continued his studies at the Pennsylvania School of Medicine.

Roger has a sister, Katherine, and a younger brother, Jeff.

SCHOLARSHIP

Peter Cabellero Jr., son of the senior Mr. and Mrs. Peter Caballero of 199 Spruce avenue, has won anothe rscholarship for the California school of Fine Arts and Crafts. Peter will continue his studies next fall in the field of commercial art and dress design.

Wing Scout Troop 6 Welcomes Their Incoming Assistant Leader

Wing Troop 6 of Sequoia area irl Scout council has just announced that Mrs. Theodore B. ichaelis of 902 Van Auken circle, alo Alto, has registered as assistant leader of their squadron.

Muriel "Mike" Michaelis, as she is known to scouts, brings with her 23 years of experience as a scout, as a leader and in other scouting capacities. She received her early leadership training in her home city of New York, where her senior troop was one of the first to complete the Senior Service Scout program during the war years.

In 1946, after her marriage, Mike established the first senior troop in Columbia, Missouri, and, in 1947 when the Michaelis' came to Concord, California, she and her troop there adopted the Wing program, and became the first Wing Scout troop in Contra Costa county.

Since moving to Palo Alto in 1951, Mrs. Michaelis has been busy settling in her new home and bringing up three small children. Mrs. E. M. Edwards, leader of Wing Scout Troop 6, finally induced Mike to come out of scouting retirement to assist with this very active group.

Mike's present assignment in the Wing troop is to help the girls organize a membership drive, so that the group, whose members are all high school seniors, may be perpetuated.

'Open House' Slated Sunday at Girl Scout Camp Woodhaven

Woodhaven, the Sequoia area Girl Scout camp, will hold an "open house" Sunday from 1:30 p. m. to 4:30 p. m. for all parents of Girl Scouts and for all who are interested in scouting.

Miss Bernice Patton, camp director, and her staff will act as hostesses and will conduct guided tours through the camp. Refreshments will be served during the day, and a "Scouts' Own" program has been arranged by the counselors.

Effective after this Sunday, June 28, there will be no visitors to the camp on Sundays, so it is hoped that all parents whose girls are planning to attend Woodhaven will take this opportunity to inspect the camp and to meet its staff.

GLADYS GEORGE has been vacationing in Texas.

Menlo-Atherton Twins Among New Officers For Job's Daughters

Twins Mary and Nancy Speck, both Menlo-Atherton high school students, took their places early this month, when the new officers of Bethel 170, Job's Daughters, were installed.

Mary was seated as Honored Queen, with Carolyn Dwinelle as Senior Princess, Nancy Speck as Junior Princess, Sue Passinetti of Menlo-Atherton, Guide, and Sharon Weeks, also of MAHS, Marshall.

Still other officers were Karen Sjoberg, senior custodian; Dorothy Keller, M-A, junior custodian; Nancy Heinrich, M-A, inner guard; Marilyn Filliman, outer guard; Karen Krippen, recorder.

Ann Davis, treasurer; Gerrie Keely, M-A, chaplain; Suelyn Tombow, musician; Teddy Grindle, M-A, librarian and Louise Gentry, M-A, Beverly Denton, M-A, Clar Darrow, Clare Larson and Joyce Rosen, messengers.

Two area residents make up the adult corps: Mrs. H. B. Davis is guardian and John Carlson is associate guardian.

Helen Merrick Reveals Engagement

STANLEY SULLIVAN

During graduation time at Menlo-Atherton high school, friends of Helen Merrick learned of her engagement to Stanley L. Sullivan.

Helen, now an MAHS alumna, is the daughter of Mr. and Mrs. Robert Merrick of 1198 Sherman avenue. The future bridegroom, who attended Sequoia high school, is the only son of Mr. and Mrs. Henry Sullivan of Atherton.

Wedding plans for the young couple are indefinite as yet, since Stanley is just completing his army basic training at Camp Roberts.

The bride-elect has a sister, Lynn Merrick, who is employed in Los Gatos, and a five-year-old brother, David. Their grandmother, Mrs. Mary Wright, is making her home with the family.

USING SYMBOLIC TORCHES

CAMP FIRE RITES are observed by (right to left) P[illegible]nelson, Joann Pattee and Jessica Kopfer, three of the C[illegible]e girls who gathered last week at the Menlo Park Presby[illegible] church for the first annual Peninsula council fire. The t[illegible] girls are touching off the fire with symbolic torches repr[illegible]ing Work, Health and Love, the first two syllables of each w[illegible] adding up to "Wohilo," the watchword of the Camp Fire orga[illegible]ation. During the "fly up" ceremony, Bluebirds to become Camp Fire Girls stood in front of their senior sisters and repeated the trail wish, after which the Camp Fire Girls placed a red scarf around each Bluebird's neck, denoting the "fly up." —Menlo Camera Shop photo

Little House members just decided this week to have a smorgasborg dinner next Tuesday evening at 6 p. m. in their garden. Reservations may be made by calling DA 3-1787, the facility's office number.

Little House, 930 Santa Cruz avenue, is sponsored by the Peninsula Volunteers, Inc. For further information on the center, open to men and women 50 years of age or older, call DA 3-1787.

Mrs. Isabelle Rego Returns From Islands

Having returned home from Honolulu just in time to see her daughter receive the "Miss San Mateo county" crown was Mrs. Isabelle Rego of 1015 Berkeley avenue. Mrs. Rego, who had been in the Islands for some four months, came back on the most recent Lurline cruise.

As clerk to the Public Lands commission, Mrs. Rego saw many sessions of the legislature in Hawaii, and was also present during an address by Madame Chiang Kai-shek from the legislature floor.

Mrs. Wade Hampton Fetes Blue Angels

Mrs. Wade Hampton, mother of Carol Hampton, entertained members of Blue Angels Wing Flight 6 at luncheon Wednesday at her home at 1720 Santa Cruz avenue The luncheon was followed by a business meeting and discussion of the scout unit's plans for the coming year.

Mrs. Muriel Michaelis, newly-appointed co-leader of the unit, with Mrs. E. M. Edwards, was present to discuss organizational features of a membership drive which the girls are planning.

FASHION LUNCHEON

There will be a fashion luncheon June 30 at the Circus club.

EPA 'Juniors' Feted Hubbies; Will Man CP Telethon Shift

Thick juicy steaks, tossed green salad, crunchy French bread and all the accoutrements tempted the appetites of their spouses last Saturday night when members of the East Palo Alto Junior Women's club played hostess to their husbands.

The dinner party was a sort of summer farewell to club meetings, for the young women will not meet again until August.

It was held at the home of Mr. and Mrs. John Fulton, 2876 Louis road, in Palo Alto.

Those who attended were Mr. and Mrs. Louis C. Bennett, Mr. and Mrs. Edward Bennett, Mr. and Mrs. Ernest Andrews, Mr. and Mrs. George Brown, Mr. and Mrs. Edward Carpenter, Mr. and Mrs. George Hubbard, Mr. and Mrs. Andrew Naneck, Mr. and Mrs. Robert Poole, Mr. and Mrs. Allen Thomas and Mr. and Mrs. Larry Moore.

Tomorrow members of the club will start the 9 to 1 shift on the telephone crew at the old city hall in Palo Alto for the Cerebral Palsy teleathon.

Willow Girl Scouts Receive Their Badges

Members of Girl Scout Troop 225, Willow school, have been very active of late.

The girls were recent hostesses to Brownie Troop 172 at a gathering which featured organized games, original puppet plays and folk dances conducted by the members themselves. Refreshments were also served.

At an outing at Camp Woodhaven, Troop 225 spent some time painting storage boxes for the staff room, and as their final year's activity, troop members were presented with their second class badges for sewing, cooking and folk dancing.

Ms. George Pohl, troop leader, gave each girl a year pin following luncheon at Rickey's on June 6. In return, Mrs. Pohl and co-leader Mrs. Richard Allphin received gardenias, costume jewelry and purse lights in appreciation of their troop leadership during the school year.

Girl Scouts participating in the final activities of Troop 225 were Wendy Allphin, Donna Beene, Kristeen Bonde, Susan Bradley, Karin Hodge, Barbara Hodge, Alice Littrell, Linda McCoy, Leslie Noble, Sandra Olsen, Penny Pohl, Susan Toffanelli and Karen Tucker.

Atherton Travelers Take Us:

On the First Lap of Trip to S. A.

(First of Two Articles)

After a three and a half month's trip around and through South America by land, sea and air, the J. R. Suttons are back in their

Atherton home and full of mental souvenirs from their journey.

The first lap of the Suttons' tour was by a ship skippered by Menlo Park resident, Captain Hans E. Hansen of Kenwood drive. Captain Hansen's run was from San Francisco, up the Pacific coast, then back down through the Panama canal.

Among the ports of call for the ship were Venezuela, Trinidad, Aruba, Rio de Janeiro, Santos, Montevideo, Buenos Aires, Straits of Magellan and Lima's sea outlet.

The Suttons left their genial host and captain at Buenos Aires, where they spent nine days, the travelers flew to San Carlos de Bariloche on the Eastern end of the Argentine lakes.

The pampas country, over which they winged, they termed as 'the world's most uninteresting territory." The barren scenery was relieved by one or two villages on the rivers.

VISIT LAKES

Mr. and Mrs. Sutton stayed in Bariloche five days, then spent two days visiting the chain of lakes between Bariloche and Puerto Vares. The lakes were long and narrow, with precipitous mountains rising steeply on either side. Sutton compared the range to the fjords of Norway.

From Puerto Vares, the travelers took a train to Santiago, where the Athertonians stayed for thre edays, not finding the city of particular interest.

From Santiago, the Suttons traveled to Vina del Mar, the "most fashionable resort sort of seashore place in the area." The casino, one of the most outstanding in South America, was not in operation while they were there, but the Suttons found the territory, three or four miles from Valgaraiso, quite intriguing.

The interesting "lay of the land," Sutton felt, was probably due to the unusual shape, being

wide) and flat and parallel to the seashore, with hills rising sharply behind.

The business district of Vina del Mar was located in the flats; the residential area, in the hills. About a dozen funicular-type railways, on cables, were kept running up the side of the hill all day long, and the fare, the travelers, discivered, was less than an narrow (only about three blocks American penny.

From Valparaiso the couple took a ship to Peru, with stops at the Chile copper ports where the vessel was loaded. According to the Suttons, the weight of copper is so concentrated, that it tended to give the ship a pendulum-like roll.

Lima, Peru, was the travelers' lay-over for eight days. The area around the city, noted Mr. Sutton, was on an arid coastal plain in desert country; sand dunes by the mile surrounded the place.

Rainfall on the Lima locality measures two inches a year, the travelers commented, but the land would apparently become quite fertile if given sufficient water. What we would term a "drizzle" here, the Suttons said, the Peruvians would call quite a "rain."

Lima was redesigned after the earthquake hit it several years ago. Streets were widened and building construction carefully programmed, producing a very pretty city rife with flower gardens and pleasant residential sections.

From Lima, the Atherton couple flew to Cuzco, an old Inca capitol at an elevation of 11,000 feet. Due to the height and the rather outdated style of plane, the uttons were given oxygen to take on the flight.

(To be continued next.—ed.)

Friends to Greet Just-Wed Maylans At Reception

To announce the marriage of their daughter, Marjorie Ann Roberts, to Johnnie Maylan, Mr. and Mrs. Frank H. Roberts of North Fair Oaks are planning an "open house" reception at their home Sunday for all friends of the young couple.

Marjorie and Johnnie were wed on Saturday, June 13, in Reno Nevada. They were accompanied on the motor trip by their parents, Mr. and Mrs. Roberts and Mr. and Mrs. Gordon A. Maylan of East Palo Alto, as well as by Johnnie's brother and sister, Delberta and Bill Maylan.

For the ceremony Marjorie donned a blue and white checked woolen suit and a pert white hat which featured a matching veil studded with tiny white flowers and rhinestones. With the ensemble the bride wore red shoes and bag and had pinned on a corsage of white roses and gardenias.

Serving as honor attendant (and, in a way, "best man") was Mrs. Roberts—she held one of the bands used in the double ring ceremony. Mr. Roberts stood up for his new son-in-law.

Marjorie is a student at Sequoia high school, having one more year to complete before graduation. Her husband, who also attended Sequoia, is presently stationed with the navy on board the USS Piedmont. He will remain in this area until the end of July.

The newlyweds will be "at home" at the Roberts' residence on Sixth avenue.

Local DAR Chapter Holds Final Meeting

Cachinetac chapter of the D.A.R. held its final meeting of the season recently at the summer home of Mrs. C. G. Uhlenberg at Paradise park, Santa Cruz county.

A short business meeting followed luncheon for 12 guests, with the Pledge of Allegiance and American's creed led by the Organizing Regent, Mrs. Ruth Wiley, now of Palm Springs. During the session, a resolution was made and passed to supply American flags at cost to the Republican Women of San Mateo county.

Mrs. Walter Funk was introduced as a transfer to Cachinetac chapter from "Gaspar de Portola" chapter of Palo Alto.

Mrs. John Baer of Menlo Park and Mrs. Uhlenburg of Redwood City proposed for membership Mrs. Clara Silsber, Mrs. H. J. Strugnell and Mrs. Richard Rudsley. Mrs. E. J. Crowley, who had her sister-in-law, Mrs. Robert Crowley of Santa Barabara, as a guest, proposed Mrs. Ruby Sisson of Atherton for membership.

AID AT HUDDART PARK

Members of Menlo Park Wing Flight 6, Senior Girl Scout unit, this week assisted with supervision of younger children at Huddart park this week. Girls working on the project included Carol Hampton, Diane Wickstrom and Carolyn Binsfield.

Junior Fashion Panel Was Formed Last Week

Fourteen girls from Menlo-Atherton and Palo Alto high schools had luncheon last week with Mrs. Evelyn Carr McGinn, co-founder of the Peninsula Approved Fashion panel. Purpose of the gathering was to form the first board of the Junior Approved Fashion panel of the Peninsula.

Like its senior body, the group of 'teen-age young women plan to discuss and keep contact with designers and manufacturers of feminine apparel in advance of the style seasons, in order to bring about a more practical approach to fashion problems in their age group.

Menlo-Atherton-ites attending the luncheon were Nancy Roselyn, Lois McKenna and Robin Nichols. Assisting Mrs. McGinn as hostess were Mrs. Harry Ervin, Mrs. Melvin Malinoff, Mrs. Watts Stirling and Mrs. Stern Wallin.

GEORGE RODRIGUEZ of Menlo Park will present some sleight of hand work on the Les Malloy television program next Thursday, July 2, at 5 p.m.

In San Diego:

Margery McMahon Will Be Bride on Saturday Afternoon

At 2:30 p.m. Saturday Margery McMahon, Oak Knoll kindergarten teacher, will be wed to Harold Benedict of Palo Alto. The Rev. S. Dean McBride will perform the ceremony, which is to be held at the House of Hospitality in Balboa Park, San Diego.

A graduate from San Diego State college and an affiliate of PEO and AAUW, the future bride is the daughter of W. Scott McMahon of West Liberty, Iowa. She has one sister, Mrs. J. G. Folchi. The benedict-elect has his own tree surgery business in this area.

The couple originally met, according to a story told, around the large oak at Oak Knoll school —which Harold had come to examine for disease.

Margery will be given away in marriage by her father and attended by her sister, Mrs. Folchi; Mrs. Folchi's husband will serve as the best man. Following the wedding, guests will remain for a reception.

The couple are planning a honeymoon in the Tahoe region, and will return to a home on 797 Matadaro avenue, Palo Alto.

Mary Burley Marks Her Fourth Birthday

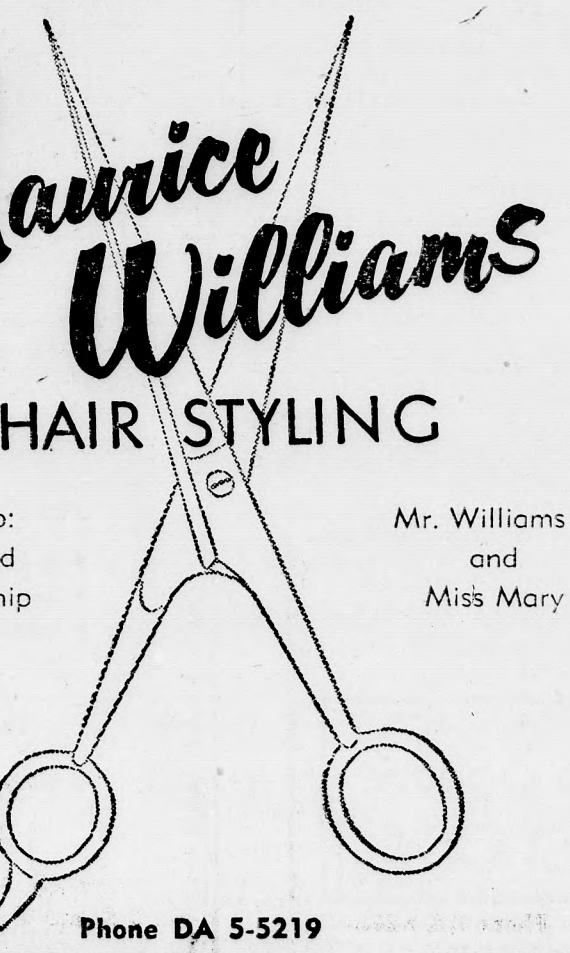

Several friends of Mary Burley escorted their mothers last week to the party which Miss Burley, newly-aged four, and her mother, Mrs. C. A. Burley, cohostessed.

Occasion for the gathering was Miss Burley's birthday, which was duly marked by ice cream and cake and party games.

Guests included Mary and brothers Terry and Peter, Terry Lawrence, Sally and Tommy Spring, Suzie Randall, Connie Collier, Linda Neylan, Christopher and Betsy Love, Gerrie Ann Hayes, Peter Randall and Gayle Garner.

THE DALE HENDRICKSONS

RIVERSIDE WILL BE the home of newly-weds, Sherril and Dale Hendrickson, who were the first couple to be wed in the chapel of the East Palo Alto Community Church. More than 300 friends and relatives attended the ceremonies and reception that followed in the church parlor on Sunday.

First Wedding Held in New EPA Church

On the arm of her father, Clifford F. Conkel, Sherril Conkel, in shimmering white satin, was the first bride to walk down the aisle of the East Palo Alto Community church, June 14.

At the altar waited Dale, Hendrickson, to claim the pretty fair bride, his brother Donald at his side.

Preceding Sherril to the altar was her sister, Mrs. Jo Ann Jones, as matron of honor, gowned in a waltz length gown of yellow pastel taffeta with tulle overskirt. Virginia Pryal and Lorraine Lopez in blue and Shirley Griggs and Marilyn Woodward in pale pink. The bridesmaids' dresses were ballerina length, strapless, of taffeta with overskirts of tulle. Over their shoulders they wore matching stoles. Their bouquets were carnations and mixed spring flowers, with a matching spray in their coiffures.

Sherril's wedding gown was of traditional white satin made with tight bodice and a full skirt extending in sweeping train. The marquisette inset at the high neckline was outlined with seed pearls, as was the bodice. Long sleeves came to a point on her hands. A tulle veil haloed her features. Her bouquet was white orchids, stephanotis and bouvardia.

Ushers were Ronald Norman, Manuel Gonzales, Teyland Brooks and Joe Quadora.

Two little four year olds completed the wedding ensemble. They were Kathleen Conkel, the bride's small sister and Diana Hendrickson, the groom's sister.

The all white decorations were continued in the church parlor, white flowers banking the bridal table which was centered with a four-tier cake.

After a brief honeymoon, the young couple will make their home in Riverside, California, near to Dale's naval air force base, March Field.

GRADUATE

Barbara Ann Orphal, daughter of Mr. and Mrs. George Orphal of 1045 Wallea drive, was graduated with the bachelor of arts degree June 11 from Principia college, Elsah, Illinois.

MISS WARREN, second grade teacher at Oak Knoll, will be attending a music institute in San Diego during the vacation months.

Graduation,

JUNIOR, JUNIOR EDITION

PROCESSIONAL—Four young graduates from the Menlo Play Center cooperative nursery march up to receive their diplomas. The quartette above comprises (left to right) Jerry McCann, Kenney Cottrell, Tina Frazier and Sheila Devine.

—Recorder photo

Not to be left out of things during these days of graduation were 26 juniors who said "goodbye" to nursery school this month.

The children were former "students" of the Menlo Play center, the parents' cooperative nursery here. Just for the occasion, the youngsters made miniature mortar boards and wore the traditional baccalaureate gowns (their painting shirts turned around backwards).

Solemnly they marched up to receive their typewritten diplomas tied with bright ribbon, and later joined their parents in refreshments of red-iced cup cakes. The 1953 graduating class of the Menlo Play center had a perfect record, according to a spokesman; no one "flunked" out.

Among the '53 nursery alumni are:

Jane Ball, Beth Bonora, Bob Buker, Kenneth Cottrell, Robert Eldredge, Sheila Devine, Bettina Frazier, Kathy French, Billy Hartly, Matt Johns, Jerry McCann, Lee Ellen Morris.

Cam Mudd, John Norris, Greg Pehrson, Carolyn Polese, Ricky Richmond, Jeff Rogers, Dick Rubin, Bob Stealey, Kathy Sterling, Steve Weber and Eugene Wotila.

Menlo Country Club Tourney, Dance Draw Many from Local and Bay Area

Climaxing the first day of the annual Invitational golf tournament Saturday on the Menlo Country club course was the traditional formal dinner dance given that evening for club members and their golf guests and wives.

Before the affair, the Hugh David Phillips, who reserved a no-host table for dinner, held a cocktail party at their Atherton home. From there, guests went on to the club to partake of a menu featuring pheasant.

At dinner, the John Brookes Jr. had staked out a table for their guests, Mr. and Mrs. Garth Kellam, Mr. and Mrs. George L. Buland, Mr. and Mrs. Polk Dodson, Mr. and Mrs. Dillon Winship and Mr. and Mrs. R. K. Davies.

At another table, Mr. and Mrs. George Long entertained Mr. and Mrs. W. Mixter, Mr. and Mrs. Murray Innis, Mr. and Mrs. Joseph McMicking, with their guests, Mr. and Mrs. Mallen, Mr. and Mrs. Thompson.

Dr. and Mrs. Phillips had at their table Mr. and Mrs. William Kelley, Mr. and Mrs. H. R. Ruwler, Mr. and Mrs. W. G. McEllan, Mr. and Mrs. William Collyer, Jesse Hayes and Mr. and Mrs. H. L. Hamilton.

And seated with the Ed Johnsons Jr. were Mr. and Mrs. John Mackay, Mr. and Mrs. Donald Ross, Mr. and Mrs. Henry Needham, Mr. and Mrs. Bruce Gilpin, Mr. and Mrs. Edward Manning, Mr. and Mrs. Douglas Poston, Mr. and Mrs. William Roth, Mr. and Mrs. H. D. Bonnard Jr., Mr. and Mrs. Kenneth Sayre and Mr. and Mrs. Emery Rogers.

Guests of Mr. and Mrs. Henry McIntyre were the Don Hamptons and the Dick Wrights, while Mr. and Mrs. George J. Otto had seated Mr. and Mrs. Chase Grover, Dr. and Mrs. De Carl and Dr. and Mrs. J. Morrissey, the latter with their guests.

The golf tourney which preceded is known in this area not only for attracting a good field of golfers, but for incorporating an aura of conviviality. Each country club member annually invites one guest to play in the tournament, which extends over two weekends.

Golfers are divided into groups, or "flights" of 16 each, with the score made last Saturday determining which flight the player will become a part of. The highest, championship flight, generally includes 32 golfers; the remaining groups play according to handicaps.

Winners of the invitational will be determined Sunday, and will be awarded some beautiful prizes, which in the past have included such items as silver from Gump's.

Thursday Masterpoint

Helen Morton and Don Kirk took North-South honors and Howard Gates and R. V. Jones, the East-West honors when the Menlo-Atherton bridge club held its Thursday evening masterpoint.

Runnersup were Mr. and Mrs. Emery Rudolpher, Mr. and Mrs. M. K. Trimmingham, Virginia Fenerin and Sue Curtis, North and South; Larry Elkington and Clark Beck, Genevieve Sklare and Winifred Patten, Helen Morton and Mary Elizabeth Anderson, East and West.

Pythian Thimble Club

A dessert luncheon Wednesday, June 24, was on the calendar for members of the Pythian Sisters' Thimble club. The affair —open to the public—was given at 1 p. m. in the 2031 Euclid avenue Knights of Pythias hall, East Palo Alto.

Following dessert, everyone was invited to participate in the 2:15 p. m. whist party.

Chairman for the dessert luncheon was Mrs. Charles Halverson; card party chairman was Mrs. Clarence Haydock and Mrs. Walter Fraer was in charge of decorations.

Next regular meeting for the Pythian Sisters, Palo Alto Temple 70, is set for 8 p. m. July 1 at the EPA hall.

TEENAGE TALK . . . .

By MELINDA PERCY DA 3-9975

"In the Good Old Summertime" the best thing to have is a swimming party. And when it is a Deep Sea party, as was Sandy Sherk's and **Donna Newport's**, it is sure to be a success.

The party, which lasted from 4:30 p. m. to 11:30 p. m., provided dinner, dancing, swimming, badminton and a "Name the Turtle" contest.

The turtle was christened **"Bogardus"** and the christener was **Gerry Terhune.**

Other guests included **Bunny Blake, Barbara Rhoades, Suzanne Baughn, Carol Stickney, Yvonne Layne, Lynn Mokler, Diane Sullivan, Alayne Thurston, Joanne Marisch, Barbara Schenkle, Lulu Shao, Ann Bartells, Joanne Felkner, Marilyn Hareid, Bill Lawson, Andy Schwarz, Charles Weesner, Gordon Plaisted, Billy Augustine, Bud Varty, Jim Stanford, Bruce Stanton, Allan Sundquist, Gary Grider, Lance Fuller, Buck Shaw** and **Barry Manheimer.**

Vacations start as soon as school is out! We received a postcard from **Fred Stark,** who says, quote, "Camped on the edge of Lake Tahoe last night, and almost froze to death. Am having heap fun."

* * * *

Santa Cruz seems to be the place to go still, in these oh, so warm June days, and in the opinion of **Sandy Holmquist, Dave Sundquist, Charley Martin, Pat Fallon, Margie Kriz, Ken Whitcomb, Brian Mokler** and **Ordetta Bechtel,** the beach there is just tops.

The foursome took off down there as soon as school was out and spent a glorious day, we heard.

Teas and more teas! The soon-to-be-senior gals at Menlo-Atherton seem to be just nuts about teas, as three or four have been given lately and another one is just around the corner which we'll tell you about next week.

The first was given the day school let out, and was held at the home of **Jan Heter.** The occasion was to honor **Emily Arnold** before she left for Bermuda to spend the summer. Em is traveling with her grandmother while her parents hold the fort at home.

Those sipping tea and saying goodbye to the lucky gal were **yours truly, Angela Bowen, Jackie Pratt, Priscilla Pinto, Mardy Keyes, Joan Bell, Miriam Waggener, Sue Stolp, Sanny Loofbourow, Julie Harrington.**

* * * *

Another perfect way to sepnd a lovely summer evening is to be at a barbecue and dance, especially if it is given by **Nancy Heinrich.**

Gathering at Nancy's home recently were **Bob Consani, Gerry Keely, John Ferguson, Beverly Wells, Bob Andrade, Carole Funkhauser, Ricky Davidson, Teddy Grindle, Pat Fernandez, Judy Wright, Dave Sexton, Pat Harrington, George Davis, Linda Price, Robin Nichols, Martha Wright, Bryan Farnsworth, Marilyn Hareid, Wade Hampton** and **Bob Perry.**

Like to know how a group of teeners spent the day on graduation evening at M-A? Sounds like fun so lend an ear.

King Graham invited his friends to his home for swimming in the afternoon, followed by a barbecue, with the young 'uns then going to the graduation.

But that wasn't the end of the evening. After graduation was over, another swim was in order for the ambitious ones! Participating in the fun were **Lynn Williamson** (the crazy driver!), **Ron Williams, Angela Bowen, Don McLean, Barbara Nelson, Carla Jones, Jim Bush, Dick Lewis, Jeanne Peasley, Berkeley Johnston, Pete Brock,** and **Sue Fogle.**

* * * *

Speaking of teas, as we were a little while back, another one was given lately for **Jackie Bourdery,** who is soon to leave this country to go home to France. Her many friends at Menlo-Atherton will certainly miss her as she leaves the end of this month.

Angela Bowen was the hostess and the girls eating dainty sandwiches and drinking punch and tea were **Jackie Pratt, Ordetta Bechtel, Kay Allard, Mardy Keyes, Priscilla Pinto, Sanny Loofbourow, Sue Stolp, Jan Heter, Jane Bell, Gerry Rinfret, Miriam Waggener, Toni Martinich, Joanne Hellener, Muriel Raeen, Irene Holland, Retta Ohran, Alice Lum** and **Glenda Spear.**

Lucky Sue Severin managed to spend her sixteenth birthday at the most perfect place for spending it—the Royal Hawaiian hotel. Sue flew over to Hawaii June 14 to join her grandfather and grandmother from Southern California, Dr. and Mrs. J. H. Lang.

* * * *

Although not so far away from home, here is another gal who's having en exciting time this vacation—**Margaret Goodlive.** Last weekend this active 'teenager represented Menlo Park Memorial VFW Post 7145 in a state baton twirling contest—with all the fine entrants, Margaret came out third, with the trophy to prove it!

Next weekend, Margaret will enter competition in Los Angeles; on the Fourth of July, she's being featured in Lakeport; and on Saturdays during summer, she'll be teaching baton-twirling for the Menlo Park rec department—and there's a lot more to come!

* * * *

We've received a few postcards from vacationers, so next week we'll let you know all about their travels and adventures. Don't forget when **you** go away to drop us a line at 301 Menlo Oaks drive, and the folks at home can know what you're up to!

Junior Newshawks of the Week are **Sandy Holmquist, Nancy Heinrich, Angela Bowen** and **Jo Booth.**

Mr. and Mrs. Paul O. Brohmer of Dumbarton avenue and their sons Paul and Stephen and daughter Judy picnicked at Santa Cruz on Father's Day.

Date for First OES Meet Here

The new Menlo Park fraternal meeting hall on Roble avenue will be "home" to members of the Menalto chapter, Order of the Eastern Star, beginning Saturday, July 18.

That is the date for the first OES meeting here in MP, which several Grand Officers are anticipated to attend and to which all area members of the Order of the Eastern Star are invited. Mrs. Lillie D'Aartaies, who was installed as Worthy Matron at the last meeting, will preside over the memorable occasion.

Worthy Patron, Sidney Lawrence, acted as installing officer when Mrs. D'Artaies took over her new office. Clifford Mott, who attended the ceremony with his wife, was the soloist for the initiation of new members.

Also present at that meeting were Eleanor Pagett of Redwood City, deputy for Rainbow for Girls, and Mrs. Gertrude (name to come later) of San Leandro, deputy promoter for Job's daughters.

Luther League Delegate

Miss Mariel Raaen, a member of the local Luther League of the Menlo Park Lutheran church, was sent as a delegate to the International Luther league convention at Fargo-Moorhead.

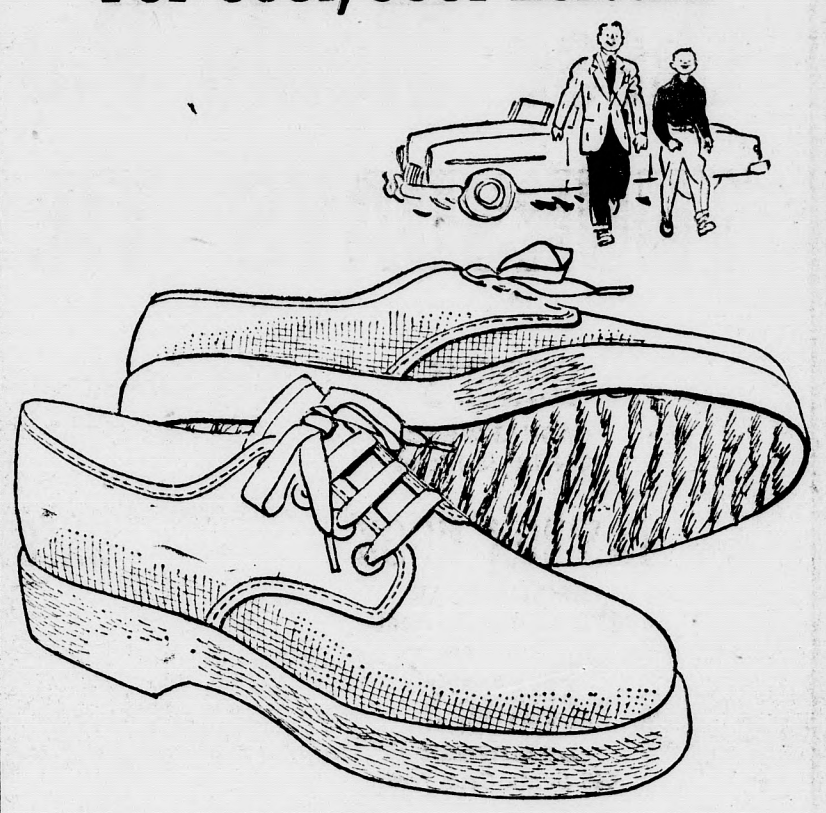

The convention, to convene during the first week of July, is expected to draw more than 5000 young people, comprising delegates from all over the United States and Canada.

MARRIED HERE SATURDAY

MR. AND MRS. CHARLES KRUSE
—Anita Fowler photo

Newlywed Charles Kruses Plan a Menlo Park Home

Two new residents of Menlo Park will soon be "at home." They're Mr. and Mrs. Charles Johnston Kruse (Margery Kathryn Thompson), who were married at 11 a.m. Saturday in the Stanford Memorial church.

The bride, on the nursing staff of Palo Alto hospital, is the daughter of Mr. and Mrs. John David Thompson of San Mateo. Her husband, a Menlo Park resident and engineer with Color Television, Inc., in San Carlos, is the son of Mr. and Mrs. Charles Andrew Kruse of Santa Rosa.

A bridal gown of white embroidered organdy over taffeta had been chosen by Margery for her wedding. The frock featured a very full ballerina skirt, topped by a fitted bodice styled with a rounded neckline and cap sleeves.

ORGANDY CORONET

A coronet of ruffled organdy held the shoulder length veil in place, while completing the summer white wedding costume was a cascade of white daisies.

The maid of honor, Mrs. John Akerman (Anne Dempsey) of Palo Alto, wore a blue embroidered organdy frock similar to the bride's, and carried, also, a cascade of daisies.

William S. Fowler of Menlo Park stood beside his friend Charles during the ceremony, and Herbert Lowe, as usher, led members of the family and a few close friends to their seats.

AFTER WEDDING

When the wedding vows were exchanged, together with twin bands, guests and the bridal party boarded their cars for Rickey's, where the wedding breakfast was held. The table had been decorated with daisies, fern and tapers for the occasion.

Before starting on their honeymoon up north, to include Shasta, Margery donned a silver gray dress with red accents and accessories and a white orchid corsage. A new home on Sherman avenue awaits the couple's return.

Prior to the wedding, the bride was feted at a shower given by Mrs. Ackerman; then Mrs. James Trevor of Hillsborough with Mrs. John Keesling of Los Altos cohostessed a barbecue and swim at the Los Altos home of Mrs. Hector Keesling.

DINNERS

The nurses at Palo Alto hospital honored Margery with a dinner at Rickey's and William Fowler, the best man, hosted a bachelor dinner for Charles—also on the dinner list was the affair hosted by Mr. and Mrs. Verne Carlson of Palo Alto. Climaxing the parties was the rehearsal dinner, given by Mr. and Mrs. John Thompson, at the Lanai.

A graduate of San Mateo high school, Margery continued her studies at UC and received her degree and RN at the University of Minnesota, where she was affiliated with Sigma Kappa sorority.

The bridegroom attended Santa Rosa high and later earned his bachelors' degree, with honors, at California Polytechnic institute. While studying for his master's degree at Stanford, Charles was a member of SAE, IRE and the university symphony orchestra.

STORY HOUR

The patio of the oak at Menlo Park library was really crowded last Thursday, when the first in a series of six story-telling hours was held. More than 150 children, five to ten years of age, listened to the tales woven by Mrs. Thomas Sewell of Menlo Park.

Today's story session, scheduled from 10:30 a.m. to 11:15 a.m., will feature "The Firebird" and "How the Rabbit Got Pink Ears" told by Mrs. Donald Sachs, who will be taking over the Menlo Park workshop of the Storytellers guild from Mrs. Sewell during 1953-54.

Co-sponsors of the series are the Storytellers and the Menlo-Atherton branch of the American Association of University Women. The MP branch libary, whose librarian is Joan Rucker, is conducting the program.

Peter Morrison of Atherton Takes Susanne King as Bride

Peter Morrison of Atherton claimed Susanne Elizabeth King of Beverly Hills as his wife during a wedding ceremony held Saturday at the Church of the Good Shepherd in Beverly Hills.

The bride, escorted to the altar by her father, Alexander King, wore a gown of white peau de soie, styled with a bateau neckline, a Princess waist, long sleeves and a cathedral train.

The veil, of heirloom Brussels and Rosepoint lace, outlined the features of the bride, who carried, in lieu of a bouquet, an antique silver gilt prayer book with orchid streamers.

SEVEN ATTENDANTS

A maid of honor, Caroiyn Peck, and six secondary attendants preceded Susanne down the aisle. The bridesmaids were Katharine Banning, Kilbee Cormack, Mrs. Frank Trane, Stefania Pignatelli, Blakely Robinson of Gloucester, Massachusetts, and Barbara Elferink of Rochester, New York.

Each of the young women was clothed in a frock of short lavendar organza, harmonizing with fans of violet hybrid delphinium, the same flowers which, with carnations, were placed in the church.

The Rt. Rev. Msgr. Patrick Concannon performed the 5:30 p. m. nuptials.

Standing beside the bridegroom, son of Mr. and Mrs. Stanley Morrison of Atherton, was Stephen Morrison, Peter's brother.

USHERS

Seven young men — John Aycrigg of Berkeley, Charles Barnes of Los Angeles, William Hammond of San Marino, Clarence Heller of Atherton, William Kent of San Francisco, John Thompson of Menlo Park and Captain Peter White of Claremont, all helped to seat the guests.

Following the wedding, the 1017 Chevy Chase drive home of the bridegroms' parents was opened for the receiving line and post-nuptial celebration, which reached its climax when the just-weds departed for a honeymoon to Europe.

A graduate of Vassar college, class of '53, the bride took her college preparatory at Marymount and Marlborough school for girls. The bridegroom, who formally resigned from the Bachelors upon his marriage, attended Thacher school, Yale college and was graduated this year from Stanford Law school. His fraternal affiliation is with Phi Delta Theta.

When the new Mr. and Mrs. Morrison return from their wedding trip, they will take up residence in San Francisco.

Jennifer and Mrs. Young Entertained Bluebirds

Jennifer Young and her mother, Mrs. Charles Winston Young, were hostesses last week to a group of Jennifer's fellow Bluebirds. The Youngs opened up their full 11 acres near Saratoga so that the girls could hunt for pollywogs—which they did successfully—pick berries and generally explore.

Jennifer's family just recently moved to their new home from Menlo Park.

Enjoying the lovely day near Saratoga were Joan and her mother, Mrs. Raymond Peters, Fleur Tibbitts, Kathy and her mother, Mrs. Vern Seybold, Francine and her mother, Mrs. Frank Territo, Marie and her mother, Mrs. Frank Ahalert, and Teresa with her mother, Mrs. Charles E. Prael.

"Experiment" For Brentwood Begins Today

Today will open the first in a unique series of instructional meetings to be held during summer vacation by Brentwood P-TA's publicity committee. Goal of the meetings is the training of publicity personnel before the opening of the school year, in order to cut down time and effort, as well as effecting better inside and outside news coverage.

Today's session will be held at the home of the general publicity chairman, Mrs. Gerald McClain.

Up for discussion are such items as school bulletins and newsettes—how can they best be laid out for eye appeal?; typing and duplicating of copies; selection—both timely and interesting—of newsette matter; coordination of the telephone unit with the inside publicity unit; posters and exhibits for the future; and information on what has been done during the past two months.

As for the "telephone unit" and "inside publicity unit", these are but two of Mrs. McClain's four internal divisions; the others include an outside unit and a poster unit.

More specifically, a "telephone unit" Mrs. McClain describes as "a body to be used as a means of inside publicity." For instance, when the March of Dimes is scheduled, a member of this committee will call and remind area residents to leave on their porch light if they wish to contribute.

Inside publicity deals with the newsettes and bulletins and such; poster publicity speaks for itself; and outside publicity represents contact with local newspapers.

By the time school starts and publicity is due to roll, Mrs. McClain hopes to have 15 or 16 publicity women working with her, each knowing her own job. Aide to the general chairman on publicity is Mrs. Maurice Dionne, acting chairman and keeper of the record book.

Inside unit members who have been invited to today's session are Mrs. Frank Casale, Mrs. Alvin Beale and Mrs. Hans Albertson.

There will be, after this, three more meetings, each touching on the topics peculiar to the separate units. It is expected, according to Mrs. McClain, that before long each division will be functioning with its own procedural book, its own expense account and its own entity.

Assisting in the dispatching of news for the coming year are two special women, Mrs. Henry French, assigned to distribution of Brentwood Cub Scout activities, and Mrs. Allen Lonstrom, who will handle Brentwood Brownies.

Daniel George Hubbard Christened on Sunday

The first son, second child of Mr. and Mrs. George Hubbard of 45 Amherst street, Atherton, was christened Daniel George Hubbard at Sunday rites at Bethany Lutheran church.

Danny was accompanied to the rites by his mother and father, his sister Susan, 2, his godparents, aunt and uncle Mr. and Mrs. Donald Severance of Belmont and by his grandparents, Mr. and Mrs. Carl Anderson of Palo Alto.

The Rev. Orval Oswald officiated.

Services were followed by an "open house" all afternoon at Danny's home. Among the visitors were Mr. and Mrs. John Richter of East Palo Alto.

MR. AND MRS. R. A. HAVARD

AN OREGON HOME will be the destination of the newlywed Mr. and Mrs. Robert Allan Havard, following their wedding trip South. Mrs. Havard is the former Marilynn Louise Plaisted, daughter of Mr. and Mrs. Guy Plaisted of Menlo Park. Her husband, brother of Dr. Edward Havard, another Menloite, is the son of Clarence Edward Havard Sr., Grant's Pass, Oregon. The couple were married here on June 14. —Gordy Ingersoll photo

Telethon, Baby Shower, "Feed" All on Week's Activity Roster

BY PROXY

It was fun, anyway, even if it wasn't a surprise. Mrs. William Fowler of Menlo Park addressed 16 invitations to the "surprise" baby shower for Mrs. Hal (Joan Fry) Skillman, but somehow, Mrs. Skillman found it out.

Shower guests gathered Tuesday evening at the Fowlers' Sherman avenue home, and admired such things as the tall stork standing in the middle of the buffet table and the "baby tree," which Mrs. Fowler had constructed from a manzinta branchlet mounted on a board and adorned with tiny celluloid babies. The gifts were brought to Mrs. Skillman via a bassinet.

Currently visiting her parents, Mr. and Mrs. Ray Fry, in Burlingame, the shower celebrant is to join her husband next week, where he is stationed with the Marine Corps at Camp Pendleton.

Ten women this Saturday night will be hoping with all their hearts that their telephone wires will burn up with calls. The women, all members of the Woodside-Atherton junior auxiliary to the Stanford Convalescent home, will be manning phones at the old Palo Alto city hall, in behalf of the Cerebral Palsey telethon.

Those who will be stationed at the 5 p.m. to 9 p.m. posts are Mrs. Robert Mann, Mrs. Gerald White, Mrs. T. M. McNamara, Mrs. Bruce Merickel, Mrs. James B. Edwards, Mrs. Peter Monteith, Mrs. Stanley Hiller Jr., Mrs. Maurice Musy, Mrs. George Bunyan and Mrs. Elwood Leep. Chief projects of the junior auxiliary is the staffing and managing of the Allied Arts Guild in Menlo Park.

The man in the moon shone down from his place Saturday night during the barbecue-dance co-hostessed by Susan Fackler and Susan Silva for their St. Joseph's school classmates.

The man in the moon was part of the Hawaiian decor created by the two Susans for their party. Pictures of the romantic islands, garlands of crepe paper and the moon (a circle of yellow paper with a painted face, placed in front of a light bulb) helped to convert the Facklers' garage into a veritable Pacific Paradise.

In addition, each celebrant wore a paper lei made by the two hostesses.

Before their dancing, the eighth graders-graduate enjoyed a hearty meal of barbecued hamburgers, potato salad, cake and ice cream. Besides the 'teen-agers, guests included the Ted Facklers, Susan F's parents, the David Silvas, Susan S's parents, and the Jack McCarthys.

Dr. and Mrs. Phillips Relax From World Tour

After completing 30,000 miles around the world, hitting 20 different countries during five and a half months, the Hugh David Phillips are finally relaxing slightly in their Atherton home.

Among the activities pursued by Dr. and Mrs. Phillips on their tour was a tiger hunt in India, done with a party including some 18 elephants (two of which the Phillips' rode). The round-the-world trip began in December from New York, from where the Athertonians flew to the Azores, then to Portugal and on.

More than a week of the journey was spent on a houseboat—complete with seven servants—which floated the couple up the Vale of Kashmir and to the various adjacent lakes. A flight over the Himalayas was also a part of this sequence.

While spending a month in Hawaii, the Phillips saw a good deal of the Harold Connables, whose island home has been remodelled now, and sets in the midst of a strikingly beautiful garden.

Birthday Celebration For Stephen Brennan

Stephen Brennan celebrated his tenth birthday recently by inviting several of his St. Joseph's classmates to go with him to the San Jose Country club for luncheon and swimming.

Those who helped Stephen have a really fine birthday were his sister, Catherine, his brother, Michael, Jimmie Berthold, Michael Brown, Michael Doherty, Robert Dompe, Robert Feichtmeir, Richard Fitzpatrick, Peadar Fuerst, Bruce Howell, Reeves Lodi, Glen Magnuson, Raymond McCarthy.

Billy Morey, Gary Morey, Joe Parker, Philip Paulson, Richard Pauli, Butch White, Paul Zinder, Barry Horney, Norman Snyder, Jimmie Craft, Bobbie Peter, Ronnie Potter, Steven Stevick and Billy Thompson.

'Come to Supper' Is Invitation to All By Over Fifty Club

Anyone who happens to have a casserole of something good in the oven is invited to pick it up and take it over to the Ravenswood social center tonight at 6 and share it with members and guests of the Ravenswood Over-Fifty club at its second pot-luck supper.

Mrs. Ursula Carlson and Mrs. W. H. Oman have planned plenty of salads and desserts for all who wish to attend—the hot dishes are to round out the meal.

While the usual Thursday night gatherings are for those over 50 years of age, the club decided that it would be fun to invite the younger members of the community to join them in a party and see just what good times they have.

"This should give the 'in-between' adults a chance to figure out activities when they start their Friday night soirees on July 10," they say.

Native Daughters Set Two Important Dates

Menlo Park Native Daughters of the Golden West have set their installation date for the evening of July 24 at Central school auditorium.

Women on the committee planning the ceremonies are Mrs. Agnes Mosher, Marie Casey, Mrs. John Grass, Mrs. William Dwyer, Mrs. Donald Smith, Mrs. Lillian King and John Derry.

Another date set aside by the NDGW is Friday, July 31, when an open card party will be given at the MP civic center's "yellow room."

Mrs. Louise Murray and Mrs. John Grass are handling ticket sales for the affair; Mrs. Murray is in charge of prizes; Mrs. Walter Mattson, hostesses and publicity; Mrs. A. B. Rogers, refreshments and Mrs. Dwyer and Mrs. Smith, arrangements.

Next meeting for the Native Daughters will be Tuesday, July 7, at 8 p.m. in the "yellow room."

Nativity Guild Whist

The Nativity Guild's monthly whist party will be held in the Church of the Nativity hall tomorrow, June 26, at 8:30 p.m.

Working on the affair are Mrs. Albert Thompson, Mrs. Michael Butera and Mrs. Byron Gordon.

TRIBUTE TO THE TEACHERS

AT BREAKFAST—Seated at the table in the above picture are Central school teachers, guests at breakfast, and members of the school P-TA, the hostesses. Purpose for the affair held last week was a "goodbye" to the several teachers leaving Central and a "thank you" to all the faculty there. Pictured above are (left to right) Mrs. Anne Gibbons, Mrs. John S. Gardiner, P-TA vice president, Mrs. Willa S. Woodard, P-TA publicity chairman, Mrs. Marjorie Comer, Penny Poluianov, Mrs. Carolyn Poluianov, Ennio Ciolli, Mrs. Mary Ellen Swanson, Donald Hurst, principal, Miss Jacque Gaudin, Mrs. Barbara Felix, Mrs. Nekloine Patton, Mrs. Doris Goertzen, Paul Berry, Mrs. Richard De Vivo, P-TA room mother coordinator and Mrs. Carl Helfenberger, '53-'54 P-TA room mother. Members of the P-TA cooked the food, which comprised fruit juice, scrambled eggs, biscuits and jelly, coffee cake, sausages and coffee. —Recorder photo

Local newcomers, Peninsula Jewish Community center members and the general community are invited to attend Sunday's monthly hospitality evening at the Burlingame center, 560 El Camino Real. B'nai B'rith will be the honored organization.
